IN THE GOOD OLD SUMMERTIME—Fog and a threat of possible rain today didn't keep the main entrance to the Marin Art and Garden Fair from looking like "the good old summertime," circa 1900. As the fairgrounds in Ross were being readied for opening of the annual celebration tomorrow night, this was the view of the entrance, looking toward Sir Francis Drake Boulevard. Curtain To Rise Tomorrow On Marin Summertime Fair

Tomorrow evening's 20th annual curtain-raising for the Marin Art and Garden Fair will turn back the clock to the beginning of the 20th Century.

The competing garden exhibits, the fashion shows, the entertainment all will be flavored with the nostalgia of "the good old summertime," 1900 varsion. (See entertainment schedule, page 36.)

The gates will open at 6 p.m. for the first night of the fair's annual five-day run in the historic Marin Art and Garden Center in Ross. By then, judges hope to have completed the exacting task of deciding the winners in the garden competition.

There are 45 gardens, bearing such turn-of-the-century titles as "Brownstone entry," "Garden Wedding," and "Summerhouse."

Fairgoers will have other wonders to look at, too, fair officials promised. Arts in action displays will feature a muralist at work, on-the-spot creation of a stained glass window, and other features; a series of drawings will illustrate the future home of the Marin County Fair in the proposed county Veterans Memorial Auditorium at the Civic Center. There will be a juries art show, photography show, and many other displays.

There'll be an election, too. The Marin County League of Women Voters' booth will display voting machines and ask fairgoeers to use them in registering ballots for their favorites in the garden displays.

For the active sort, there will be the Wild West archery range, conducted by bowman and gunnery expert Fred Del Pino, with true 1900 flourish.

Tomorrow's entertainment on the Northgate Stage will feature folk dancing at 7:30, and an "Age of Elegance" fashion show at 8:30, accompanied by the Charles Rosso Trio.

Wall Street Still Gaining In Second Hectic Session

NEW YORK (AP) — The stock market surged ahead today, picking up where it left off after a roller-coaster session Tuesday. The pace of trading was only a little less hectic.

Brokers attributed some of the rise to an increase in buying by institutions and investment funds and others who deal in big blocks.

One broker described the small investor as "still scared and selling" but said some bargain hunters were beginning to appear among them.

At 12:30 p.m. the Dow Jones average of 30 industrial stocks was up 13.50 at 864.90, although it had been ahead 14.43 at 10:30 a.m.

The Associated Press 60-stock average at noon had advanced 3.6 to 315.5.

The New York Stock Exchange high speed ticker tape, which records sales and prices for display in broker's offices and elsewhere, fell one minute behind floor transactions in the first few minutes of trading.

Volume in the first hour totaled 2.48 million shares against 2.63 million in the like period Tuesday, when trading for the day exceeded 10 million shares.

Guilty Verdicts Handed To 632 Sit-Ins To Date

BERKELEY (UPI)— Municipal Judge Rupert Crittenden today completed passing verdicts on the majority of defendants in the University of California sit-in trial.

To date, 632 defendants have been found guilty in the mass trial. Crittenden still must rule on 41 other defendants who asked for delays on technical grounds, plus 91 persons who have pleaded no contest.

Crittenden referred five of today's 53 cases, to county probation authorities, bringing the total number of probation cases to 63. The remaining defendants who have been found guilty face sentencing July 19.

BRIDGE FAN BEATS ODDS IN TIBURON

A perfect-suit bridge hand, containing 13 hearts, was dealt to John Hahn of Tiburon last night during a game at the home of neighbors, Mr. and Mrs. William Moriarity, 102 Howard Drive.

Hahn and Moriarity were partners, playing against their wives. All the hands were "lopsided," Mrs. Moriarity said. Mrs. Hahn opened the bidding with one club; Moriarity bid one spade, and Hahn bid seven hearts. The bid was doubled and redoubled.

The holder of the perfect hand made his grand slam.

Mrs. Moriarity said such a "dream hand" occurs only about once in four years in all of the United States and Canada. Chances of such a deal are one in 158,753,890,900, according to the World Almanac.

Mill Valley Fetes New Rec Center

By BRUCE COLEMAN

One way to get a community center is to float a bond issue.

Another way is to "build it yourself."

The latter is what a number of public-spirited Mill Valleyans did, and the completely reconstructed building will be officially opened this week end in a "grand old Fourth of July celebration."

Though the builders used pioneer methods such as work parties, church group gatherings and "conscription," the center didn't come easily.

A former restaurant, the Colonel's Ranch Wagon, on Highway 101 frontage at Alto was sawed into three pieces, hauled over Enchanted Knolls to project 17 at the end of Sycamore Avenue Extension, and reassembled.

No money was available for remodeling, so youngsters sold Christmas trees and light bulbs. The city of Mill Valley contributed some funds.

The bulk of the work — over one million nails in the floor alone and an estimated 5,000 man hours since January—was done "for love" by man, woman and youngster.

Official opening is Sunday. Mayor Michael Wornum will lead a parade starting at 1 p.m.

Probers Accuse Baker Of Gross Abuse Of Office

WASHINGTON (AP) — The Senate Rules Committee accused former Senate aide Bobby Baker today of flagrant abuse of his office and suggested consideration be given to his indictment for violation of conflict-of-interest statues.

The report of the committee's Democratic majority, however, dismissed as a figment of the imagination an alleged political payoff by former Ambassador Matthew McCloskey on the District of Columbia Stadium project to the 1960 Kennedy-Johnson campaign fund.

Dissenting views filed by the committee's Republican minority declared all the evidence about the stadium transaction indicates it contained "wrongful, irregular, and fraudulent aspects which were in violation of law."

Rev. O'Meara, 74, Dies; Pastor Of St. Raphael's

REV. GEORGE A. O'MEARA
Pastor for 28 years

Celebration Of Mass Scheduled Saturday

Rev. George Augustine O'Meara, pastor of St. Raphael's Church since June 22, 1937, died today at Notre Dame Hospital in San Francisco, where he had been under treatment since he suffered a heart attack in 1962.

He was 74.

Bells at the church tolled today in memory of the beloved parish leader, who played a vital role in the resoration of Mission San Rafael Arcangel and the growth of St. Raphael's School.

He was born Nov. 22, 1890 in New York City, son of John and Eliza O'Meara, and attended New York schools before entering the seminary at Villanova University, Pa. He was ordained to the priesthood May 16, 1918, and received a doctorate of letters from the university.

SCHOOL PRINCIPAL

After a period of teaching at Villanova, he was sent to California and named principal of St. Augustine's High School, San Diego, where he remained until he came to St. Raphael's as curate in 1932.

While he was curate, Father O'Meara taught philosophy at Dominican College. He became pastor of the parish on June 22, 1937.

In 1940, just three years after he assumed the pastorate, a new auditorium, cafeteria and social hall were dedicated for the parish school.

MISSION FIESTA

When World War II building restrictions were removed, the old rectory gave way to a new building. Soon after, Father O'Meara was celebrant of the high mass when the restored mission was dedicated.

Under his leadership, the parish revived the traditional Mission Fiesta held by early California dons in the courtyard. Funds from these events aided the permanent building fund of St. Raphael's School.

On July 30, 1962, Father O'Meara collapsed during early mass, and was rushed to the San Francisco hospital. He remained there since then; his condition had been reported declining in recent months.

Parishioners recalled that he had a faithful Irish setter named Mike that followed him to mass and to classes regularly. In September, 1962, two months after Father O'Meara entered the hospital, Mike was put to death because of old age.

Surviving Father O'Meara are a brother, Miles O'Meara of Lyons, N.J. and a sister, Mrs. James Wright of Staten Island, N.Y.

Viet Troops Surrounded By Red Units

Saigon's Earlier Good News Offset By New Worries

SAIGON (UPI)—Government troops scored a major victory over the Viet Cong in a search and destroy operation 40 miles southwest of Saigon, a military spokesman reported today. But a Communist regiment trapped hundreds of Vietnamese troops 200 miles to the north.

A U.S. spokesman said the operation south of Saigon netted 255 Viet Cong dead by actual body count. The action cost the lives of two more Americans killed and two wounded. The spokesman reported 32 government troops wounded.

Thirty miles north of Saigon, American and Australian comba troops began breaking off their joint operation against notorious Zone D with no significant victory.

U.S. jets flew 67 sorties over Communist North Viet Nam today, hitting one target only 50 miles from Hanoi and bombing the airport at Vinh 160 miles south of Hanoi in twin raids—the third attack on the airport in recent months.

A U.S. observation plane was shot down in South Viet Nam with the probable death of two fliers but a spokesman said no planes were lost in the north. A U.S. B57 bomber crashed in flames at the Da Nang airbase today but the two men aboard parachuted safely.

The big Communist attack in the central highlands 200 miles northeast of Saigon overran the district town of Thuan Mon. Several hundred troops and their American military advisers — up to eight — were reported cut off. All contact with the town was lost.

Three Vietnamese government units on an operation in the area reported heavy fighting with the Communists still attacking the government units. One of the Vietnamese operation command posts also reported it was surrounded.

A spokesman said several American military advisers were known to be with the trapped unit along with a six-man American military survey

Water Cut Off In San Rafael

Some residents in San Rafael's Bret Harte District were without water for a half-hour last night after workmen digging a drainage culvert for the city undermined a water main, which pulled apart.

Water from the main filled the ditch and 20 residents in the area complained that service was interrupted, according to Hector P. Puccinelli, superintendent of construction for the Marin Municipal Water District.

The ditch is being constructed by Yegge Construction Co. of Los Gatos.

REPEAT TRY SET ON SCHOOLS TAX

San Rafael Board Calls October Ballot For 50-Cent Increase; Over-Ride Seen

The San Rafael Board of Education voted last night to call for a 50-cent boost in the elementary district's general operating tax limit at a special election Oct. 12.

Voters will be asked to boost the general operating tax limit from $1.75 to $2.25 per $100 assessed valuation, a proposition they voted down April 12.

Debt retirement and over-rides for employee retirement, community services, education of mentally retarded, etc., are in addition to the general operating rate. The San Rafael Elementary School District's total tax rate this year was $2.95 per $100 assessed valuation.

The board last week proposed the election, on a then-unspecified tax raise, be held Oct. 19. The date change came after Supt. Bert C. Corona called to trustees' attention that property owners will be receiving their tax bills Oct. 17 and 18.

The decision to seek a 50-cent boost came after the board mulled over a report from Corona which projected increased expenditures through the 1969-70 school year.

Board President Walter J. Doll said that even with the proposed 50-cent tax hike, the board would be squeezing the budget. "This is no big slush fund at all," he said.

Unruh Seeks Special Tax Reform Session

SACRAMENTO (AP) — Assembly Speaker Jesse M. Unruh said today he'd like Gov. Brown to call a special legislative session this fall or early next year to consider a massive tax reform and increase program.

Unruh said he would "predict flatly" that unless a new revenue program incorporating reforms is adopted, the state will have to have another big bond issue to finance construction at the state colleges and University of California.

"And I'm not going to vote for such bonds" without tax reform, the Los Angeles Democrat said.

The statements came at Unruh's weekly news conference with President Pro Tem Hugh M. Burns, D-Fresno.

Both Burns and Unruh said they were hopeful agreement could be reached on a revenue program that would raise enough new money to finance Brown's record $4.19 billion budget.

Legislators raced against a midnight deadline today in a desperate, last - day effort to agree on new taxes and head off Gov. Brown's threatened budget cuts.

With just hours remaining, a Senate - Assembly conference committee met behind closed doors trying to settle deep dif-

WIRE NEWS BRIEFS From Everywhere

Former Treasurer In State Race

LOS ANGELES (AP) — Mrs. Ivy Baker Priest Stevens, treasurer of the United States during the Eisenhower administration, is making her second bid for public office in announcing her candidacy for California state treasurer.

Mrs. Stevens

Mrs. Stevens, 59, told a news conference yesterday she was starting early for next year's election because "I want to organize a good campaign."

Her first try for public office, in Utah, ended in defeat. She sought a seat in Congress, in 1950.

Mrs. Stevens was appointed the nation's treasurer by President Dwight D. Eisenhower in January 1953, and served until February 1961.

Mrs. Stevens' first husband, Roy F. Priest, died of a heart attack in 1959. She married a Beverly Hills realtor, Sidney W. Stevens, in June 1961.

New Winged Astronaut Is Named

EDWARDS AFB (UPI — Air Force Capt. Joe Engle yesterday became the third pilot to qualify for the military rating of winged astronaut by flying the X15 to an altitude of 54.5 miles.

Engle, 32, is the youngest man to become an astronaut in a winged craft. He joins Lt. Col. Robert M. White and Maj. Robert A. Rushworth in having attained an altitude of 50 miles or more.

In yesterday's flight, Engle flew the X15 3,477 miles an hour to an altitude of 288,000 feet. It was Engle's 14th flight in the X15.

County Has Billion-DollarBudget

LOS ANGELES (AP)—Los Angeles County has its first billion-dollar budget, but—even so—officials say the property tax rate may go down.

The Board of Supervisors approved $1,082,319,773 yesterday for county operations in the 1965-66 fiscal year.

Chief Administrative Officer L. S. Hollinger said that if assessment valuations rise by 6 per cent the county tax rate can be cut 4.7 per cent. This would mean a reduction from $2.3997 per $100 of assessed valuation to $2.3528.

U.S., Red China Resume Talks

WARSAW (UPI) — The United States and Communist China today resumed their protracted — and secret — diplomatic exchanges.

U. S. Ambassador John Moors Cabot and Chinese Communist Ambassador Wang Kuo-Chuan met in a hunting lodge here at 2 p.m. to continue the sole diplomatic contact between their countries.

The session was the 12th of the series that started 10 years and several ambassadors ago in Geneva.

The president of the San Anselmo Chamber of Commerce is William A. Trewhella.

Hope Revived Family Lost At Sea Alive

EL ROSARIO, Mex. (AP)—Hopes that four members of a California family might have survived after their cabin cruiser sank were revived today when searchers reported finding footprints, a lifejacket and women's clothing on a deserted beach.

The footprints and other objects were found late yesterday by a 15-man search party 45 miles south of here near the spot where a 15-year-old girl crawled from the sea Saturday.

Denise Winter earlier was believed to have been the only survivor in the family of five aboard the 45-foot cabin cruiser that sank off the Baja California coast last weekend.

Searchers for the Warren Winter family of Murrieta also reported finding fresh water near the footprints, adding to chances of survival on the barren coast.

In San Diego yesterday, Denise quietly recalled her mother's last words before abandoning their sinking vessel: "Don't paddle! Don't struggle."

Then, said Denise, she and the other members of her family leaped into the wind-whipped swells of the Pacific Ocean.

"The waves were high and I didn't try to swim," she said yesterday.

"I looked back once and saw my parents. But when I looked again, I saw nothing," she said.

Objects of the land-air search are her mother, Mrs. Mary Beth Winter, 36; her stepfather, Warren, 40; a sister, Shereen, 12, and a brother, Lance, 13.

Coast Guard search planes located the yacht run aground near El Rosario, Mex., but found no trace of the family.

Denise said she finally managed to reach shore, then wandered for two days—cold, hungry and scared—before being found by three fishermen near El Rosario.

She was flown to San Diego by private plane yesterday.

Winds, Hail Pound Areas In Midwest

By ASSOCIATED PRESS

Violent thunderstorms loosed hurricane winds and downpours of rain and hail on parts of Kansas and Missouri early today.

Thunderstorms also hit other localities to the east along the advancing edge of a cool front which cut into hot, humid weather extending from Texas to New England.

More than an inch of rain and large hail were whipped into Kansas City, Mo., on 75-mile winds during the night. Atchison, Kan., was hit be hail termed by the Weather Bureau as large as golf balls. A funnel cloud dipped down near Columbia, Mo., but soon retreated into a towering thunderhead. No damage was reported.

Kearney, Neb., had one-inch hail flung by 60-mile winds. Farther east along the front Cincinnati, Ohio, was hit by heavy rain, with .52 inch measured in a single hour.

The cool air was eagerly awaited in New England and down the Atlantic Coast after a broiling day in the 90s over much of the region.

Women Are Urged To Get Schooling

WASHINGTON (AP) — Dr. Mary Bunting told the 10th Women Doers luncheon at the White House in Washington yesterday more women should return to college for another degree to catch up with the explosion of knowledge.

Mrs. Lyndon B. Johnson invited 18 women to the luncheon a year from the day Dr. Bunting was sworn in as a member of the Atomic Energy Commission, which she leaves today. She will return as president of Radcliffe College.

San Pablo was named for St. Paul.

Commerce Chief Says Business Fine Despite Market Troubles

WASHINGTON (UPI)—Commerce Secretary John T. Connor says business is fine and it looks good for the future with the wildly gyrating stock market the only cloud on the economic horizon.

But Connor told a news conference yesterday that the market, which has declined sharply in recent weeks, "may or may not be an indicator of business activity."

He said his job was to report "on the economic facts of life, the business facts of life, as they really are, even when they're favorable. . .(and) the business facts of life continue to remain strong."

Asked why he thought the market has declined, Connor said that certain "comments" had decided some investors to sell their stock and take a profit.

He did not mention Federal Reserve Board Chairman William McChesney Martin Jr. But market observers have pinned at least some of the blame on Martin, who earlier this month spoke of "disquieting similarities" between the current economic era and the boom of the 1920s which preceded the crash of 1929 and the resulting great depression.

Connor said he found no such similarities.

The secretary quoted a Commerce Department report to back his contention. It said that U. S. business output would show a "good sized rise" in the April-May-June quarter.

Authorities Seizing Exploding 'Candy'

NEW YORK (AP) — Authorities around the nation are seizing cracker balls, tiny pellets which can explode when bitten.

The brightly colored firecrackers—about three-eighths of an inch in diameter—can be lethal when swallowed. The death of at least one child has been blamed on the pellets which look like candy.

The nearness to the Fourth of July, with its traditional use of fireworks, has accelerated the crackdowns.

Nine children throughout the country have been injured because they mistook the cracker balls for candy, the Massachusetts Department of Public Health said yesterday.

The department warned parents and retailers to be on the alert for the cracker balls, made with an outer coating of papier-mache material. The pellets are made to explode when thrown against a hard surface.

Two Sentenced In Scheme To Ship Equipment To Cuba

NEW YORK (AP) — Two Californians and a corporation were sentenced in federal court yesterday after pleading guilty in a scheme to ship $1 million worth of locomotive and auto replacement parts to Cuba, in violation of the Export Control Act.

Judge John M. Cannella imposed a six-month prison sentence and $5,000 fine upon Jimmie Lee Jones, 39, San Mateo, and president of Illman-Jones Corp., Hayward. The company was fined $10,000.

George Bailes, 31, Castro Valley, sales manager of Illman-Jones, got a suspended sentence, five years' probation and a $1,500 fine.

Another defendant, Johannes Lodewijk, a Dutchman, received a one-year suspended sentence and three years probation earlier this month.

The defendants were indicted a year ago. Jones was believed to have wide business interests including dealings in the Philippine Islands and Japan.

According to the prosecution, the conspiracy involved shipping of diesel spare parts to Cuba via New York, France and Czechoslovakia.

Gifts Guarantee Kennedy Center

WASHINGTON (UPI)—Public contributions to the proposed John F. Kennedy Center for the Performing Arts are about $1 million over the $15.5 million needed to qualify for a matching federal grant.

The board of trustees announced yesterday that two gifts from Italy and Germany had enabled the center to meet a deadline today for qualifying for the grant.

The gifts were Stevens marble worth $1.17 million presented by Italian Ambassador Sergio Fenoaltea and two bronze doors presented by German Ambassador Heinrich Knappstein. The doors, worth $250,000, are for the main entrance of the building.

GETTING READY FOR OPENING —Christopher Temple(left), foreman, and Douglas Shimmin, carpenter, employed by Mill Valley contractor John Oliveira, are hard at work putting finishing touches to youth recreation center at Project 17, which will be opened with a Fourth of July celebration. Barbecue in foreground was built as part of volunteer project.

Mill Valley Fetes New Rec Center

Continued from page 1

from Miller and Locust avenues to the center.

Rev. Russell Oakes, pastor of Mill Valley Methodist Church, will give an invocation at the Judge's stand. A ribbon will be cut by Joan Giacomino and Barbara Lennon, 1964 and 1965 Mill Valley queens, respectively. Bill Woods, who was one of the most frequent movers of dirt at the center, will be master of ceremonies.

Key to the center will be given to the mayor by G. W. Robertson, work committee head and advocate of the center since the area was a garbage dump 10 years ago, and Wornum will present 58 certificates of appreciation to persons who donated time, work, material, skill.

Main speaker will be Capt. A. R. Cook, chaplain of the 12th Naval District.

At about 3 p.m. the Orfeons, a group of 12 a capella singers from Torreon, Mexico, will sing, dance and play musical instruments.

An 80-foot flagpole and a large American flag will be given at the ceremony by Mill Valley Post 284, American Legion, and a California bear flag by the Native Daughters of the Golden West.

Highlight of the day will be firing of $1,500 worth of fireworks at 9:45 p.m. from the recreation area grounds over the yacht harbor.

There will be games, contests and food available at booths set up outside the center Saturday, Sunday and Monday. Hours are 10 a.m. to 10 p.m. daily.

The center is on 17 acres of city-owned land at which the Mill Valley Optimist Club ball park and Southern Marin Horsemen's Assn ring are already developed.

It was redesigned by Mill Valley architect Robert Tanaka as a public service, is 90-by-60 feet in size. Its rooms include a large hall, a meeting room with fireplace, kitchen, snack room and rest rooms.

Costumes in the parade will be judged for "most patriotic, original, horrible and pretty," with awards to be made. Further information is obtainable from Mrs. Clayton L. Underhill of 110 Evergreen Avenue or Mrs. Richard L. Parino, 185 Buena Vista Avenue.

Among the many persons who have worked on the center are out-of-town carpenters from Tiburon and Corte Madera, and a teen-ager from Holland and another from Canada.

Supervising carpenter was John Bolles and finishing man, John Oliviera.

The Mill Valley Youth Council and Southern Marin Boys Club, headed by Jack Benjamin, contributed $4,000 toward the project.

The city of Mill Valley first put up $16,000. Through a citizens committee headed by Clay Underhill, $10,000 of this was paid back. The city then lent $10,000 to be paid back over a period of years and about a month ago advanced an added $4,000 for the decks. Total city output at the moment is $20,000.

BUDGET

Continued from page 1

ferences between the two houses over voting enough revenue to balance the governor's deficit $4.19 billion spending program.

Facing them was an ultimatum from Brown: Agree by midnight—his deadline for signing the budget—or he will eliminate the deficit by trimming up to $100 million in new programs.

The Senate proposal aims to raise $25.4 million by: Raising the cigarette tax from 3 to 9 cents a pack; extending the 4 per cent sales tax to all occasional private sales of autos, boats and airplanes; extending the sales tax to leasing of heavy equipment; and permanently requiring monthly — instead of quarterly — payment of sales taxes from businesses.

The Assembly has offered a more modest proposal—a temporary speedup of sales tax collections, requiring monthly payments in May and June of 1966. It would raise $100 million.

The Assembly hasn't backed down on its determination to refuse the cigarette tax hike unless it is accompanied by property tax reform.

Body Found Floating In Bay

A body, perhaps that of a Hamilton Air Force Base sergeant who jumped from the Richmond-San Rafael Bridge on June 7, was recovered yesterday from San Pablo Bay near Rodeo.

On June 7, a bridge painter, Charles Power, reported he heard a splash and saw a khaki dressed body floating in the water beneath. A car belonging to T/Sgt. James T. Bayton, 38, of 363 Bolling Drive on the base, was found stopped on the bridge. There was an Air Force hat in it, but no note.

The body recovered yesterday was spotted about 11 a.m. by passengers on a Southern Pacific train. It was floating in the water beside the tracks at the west end of Rodeo. It was taken to Wilson and Kratzer Funeral Home in Richmond.

Positive identification of the body was awaiting arrival of the records on Sergeant Gayton from Randolph Air Force Base, Tex., expected this afternoon, according to Hamilton officials. The body was clothed in an Air Force uniform with a technical sergeant's stripes, according to Hamilton officials.

'Head Start' Flag Flying

Several onlookers gathered around the flag pole in Sausalito's Vina Del Mar Plaza today to watch raising of the "head start" flag, to fly for eight weeks during the poverty program for pre-school pupils at Manzanita School in Marin City.

Perhaps the most fascinated were the 50 pupils in the program, who were bused to Sausalito for the ceremony.

Supt. Marcus F. Davis of Sausalito School District presented the flag to teacher Dorothea McEvoy. Miss McEvoy let the children examine it and then Patrolman Thomas J. Cain ran it up the pole.

Television, Cash Taken In Two Sausalito Thefts

Two burglaries were reported to Sausalito police Monday night, one in which thieves stole $122 in cash from the Marin Theater office and a second involving theft of a stereo phonograph and a portable television set from the duplex apartment of Robert Perring, 178 Glen Drive.

Entry in each case was made with a pry-type instrument, possibly a screwdriver.

Russell Terris, janitor at the theater at 101 Caledonia Street, reported at 5:30 p.m. that between 12:30 a.m. and 5:15 p.m. Monday someone forced the door on the west side of the theater, entered and stole the cash from the office.

William Donovan of 180 Glen Drive noticed the door to the lower level duplex where he resides open at 7:25 p.m. and called police. The burglary occurred between 8:30 a.m. and 7:15 p.m., police said.

Soldier Arrested

Military police from San Francisco and a San Rafael policeman arrested Clifford Kavis in apt. 1 at the Bermuda Palms Motel last night after his sister, Judy Cain, with whom he was living, called police and said she thought her brother was absent without leave from the Army at Fort Sheridan, Ill. Military police checked the fort and found he had been missing since March 25.

Sit-In Trials Expensive For Alameda County

OAKLAND (AP) — The University of California sit-in trials have cost Alameda County an estimated $55,000, and all the bills aren't in yet.

W. E. Davis, assistant county administrator, said today the Berkeley student demonstration has cost the county from December through May a total of $76,965. This included sheriff's costs in the Dec. 2-3 sit-ins in Sproul Hall.

He estimated approximately $55,000 is chargeable to the trial that led to conviction of most of the more than 700 sit-iners.

The breakdown of the overall costs: Berkeley Municipal Court, $10,304; district attorney's office, $38,481; sheriff's department, $28,179. All of these will increase, Davis noted, and probation department costs are yet to be added.

The figures, of course, do not include costs of the hundreds of defendants with their battery of attorneys.

Judge Again Throws Out Sinatra Case Complaints

LOS ANGELES (AP)—Charges against two defense attorneys that they conspired to rig false testimony in the Frank Sinatra Jr. kidnaping trial have been dismissed by a federal judge.

U. S. Judge Peirson M. Hall ruled yesterday that the five-count indictment against Gladys Towles Root and George A. Forde did not state an offense against the pair. The judge made a similar decision on a previous indictment.

The U. S. Attorney's office said the opinion will be studied before a decision is made to appeal or to seek a new indictment.

Young Sinatra was kidnaped from a Lake Tahoe, Nev., motel Dec. 8, 1963. He was released three days later when his father paid $240,000 ransom. This was recovered.

PORTABLE OFFICES FOR NEW SCHOOL DISTRICT

Movers place the second of six portable office buildings for the new Novato Unified School District at the district headquarters at Seventh Street and Grant Avenue, Novato. Combining of Novato and San Jose school districts in the newly enlarged unified district created need for more office space. The district rented six portable units, totaling 2,000 square feet, from Modulux Corp. of Newark at $5,700 per year for two years. They arrived yesterday. They will be ready for occupancy some time next week, according to Supt. James G. Bunker. (Independent-Journal photo)

San Rafael Schools To Try Again On 50-Cent Tax Hike

Continued from page 1

would provide $475,000 in additional revenues.

The 50-cent raise may not be all that is imposed a year hence. Corona suggested a new 6-cent over-ride, also. (Over-ride taxes come for an assortment of purposes, and may be levied by school boards without going to the electorate for permission.)

For about two hours, board members scrutinized Corona's list of increased expenditures which would be financed by the tax boost.

Board Member Walter R. Castro Jr. said half the expenditures listed were needed "just to keep the status quo. . . without progress."

The expenditures listed by Corona would require a 70-cent rate boost, but the board agreed to cut back to the 50-cent raise. They agreed not to commit themselves to any specific amount on any item, but use Corona's list as a guide.

The list included a five per cent annual pay boost for teachers through 1969-70, and 20 additional teachers during the next five years to reduce the pupil-teacher ratio.

Corona said the undistributed reserve fund is in "a precarious position," and should be increased to 10 per cent of the budget.

Doll said the board "might be more realistic and shoot for five per cent."

According to Corona's list the proposed tax increase also would provide funds for more instructional supplies, more library books and materials, library aids, an increase in the remedial reading and speech therapy staffs, expansion of the program for the educationally handicapped, and ..oon supervision at schools to relieve teachers of the task.

Board member Anita C. Strom balked at increased expenditure for data processing, which she said has not "proved itself."

Board members agreed that additional funds will be needed for site improvements and building maintenance and instructional projects in education.

Corona's projections based on the 70-cent boost showed the district budget increasing from $2,582,862 for 1965-66 to $3,966,103 for 1969-70.

During the same period the total tax rate would rise by 61 cents.

The board also changed the 1965-66 school calendar, making June 10 the final day of school instead of June 9, which will provide a school year of 177 days.

The board adjourned until 7:30 p.m. July 13 at the former E. Street School.

Novato Schools Survey Completed

The State Cooperative Personnel Service has recommended 37 job classifications for the new Novato Unified School District.

The survey was presented to the district board Monday night and will be discussed at its reorganizational meeting at 8 p.m. tomorrow.

Kenneth Cates of the State Cooperative Personnel Service presented the $2,500 project. He offered further work with the district for a year at no additional charges. He recommended that the district take one year to apply the recommendations.

The survey covered both the old Novato Unified School District and the San Jose Elementary School District, which goes out of existence tonight.

The survey noted that at the individual schools there was no duplication of jobs, but there may be some at the district level.

"This is why we are recommending that the district adopt a broad classification plan and allow the employees and administrators to work together to implement it," Cates reported.

"We firmly believe that a one-year trial period is necessary to find out which employee fits best in a particular class."

The report noted that the San Jose district provides longevity pay for long service employees but the Novato district does not.

"We are recommending that the new district adopt a salary schedule similar to the present Novato district . . . There is no need to provide additional pay for longevity," Cates wrote.

The 45 ranges, five steps proposed for salaries for a 40-hour work week started at $310 going to $1,100 per month. For a 37-and-on-ehalf-hour work week, the range was from $291 to $1,031, and for a 35-hour work week, from $271 to $962.

The surveyors compared Novato with the other school districts in Marin County, San Francisco, Petaluma and Vallejo, along with the City of Novato, Hamilton Air Force Base, Marin County and the State of California.

All bodies moving through air create disturbances which radiate outward at the speed of sound. However, a supersonic plane proceeds through the air faster than the disturbances it is creating, and the result is the formation of shock waves.

Sewer District To Get Started

Sausalito-Marin City Sanitary District directors will put in motion a sewer assessment district for Waldo Point at their July 26 meeting.

The directors Monday night ordered the district engineer and attorney to have all information necessary for starting the assessment proceeding ready for that meeting.

The Bay Region Water Pollution Control Board has set a Nov. 17 deadline on provision of sewers for Waldo Point arks and houseboats.

Directors adopted a fiscal 1966 budget of about $120,000, almost exactly the same as the current budget, and agreed to try to hold the tax rate at 16 cents per $100 assessed valuation, the same as this year.

Dominant Israel Party Split By Ben-Gurion

TEL AVIV, Israel (AP) — Former Prime Minister David Ben-Gurion split Israel's dominant Mapai party today, and his supporters announced they would field a separate list of candidates in the November general election.

The split in the Mapai, Israel's labor party, was the outcome of a bitter feud between the 78-year-old Ben-Gurion and his successor as premier and party head, Levi Eshkol. The feud stemmed from an 11-year-old political scandal known as the Lavon affair.

The affair concerns the dismissal in 1954 of Defense Minister Pinhas Lavon because of a "security mishap." The facts in the case have never been made public in Israel, but it is generally believed to involve the smashing of an Israeli espionage and sabotage ring in Cairo.

Lavon denied responsibility for the mishap, and a Cabinet investigation in 1960 cleared him over Ben-Gurion's objections.

Ben-Gurion, who retired in 1963, started demanding a new inquiry into the case last year. Eshkol objected. When the matter threatened to come up in Parliament on a non-confidence vote last December, Eshkol resigned.

He later agreed to stay on as premier until the election in November. The Mapai's Central Committee early this month nominated him as its candidate for premier if it wins the election.

Air Force Man Injured In Fall

The accident occurred Saturday night when the mechanical accessories repairman was performing maintenance work on a WB50.

India, Pakistan Agree On Border

NEW DELHI (AP)—India and Pakistan signed a formal cease-fire agreement for the Rann of Kutch today. It is to take effect at the front at 6:30 a.m. Thursday.

Both governments reportedly agreed to give up some of their military outposts along the disputed area in Kutch, a desolate seaside region on India's western frontier.

Heavy fighting erupted in the barren area in April and each side charged the other with aggression.

Site Scarcity Threatens Sausalito Fireworks Show

The City of Sausalito is having a problem finding a location from which to shoot fireworks next Monday.

City Mgr. Charles A. Brown told the city council last night his first preference is not the sandspit, as proposed by the Sausalito Artists and Merchants, who are sponsoring the show, because of traffic. Brown said that the fireworks will be sent out over the water between Napa Street and the sandspit.

"How about a barge?" asked Councilman Alexander R. Imlay.

Brown replied that a barge has been investigated but it is either too late or not practical to use a barge. William Remak told councilmen the barge has a drawback in case of fire on board.

Mayor Jan Paul Dyk commented that "this is the 29th and the fifth of July is not far away. We have to find a location."

Sausalito Adopts Budget Hikes, Faces 23.5-Cent Tax Rate Rise

Fiscal 1966 budget of $761,310 was adopted last night by the Sausalito City Council, an increase of $96,070 over the dying year's budget being due mainly to added police and firemen.

Tax rate, now 98 and one-half cents per $100 assessed valuation, is expected to be $1.22.

Added to the operating budget of $749,755 to be raised by a $1.17 tax rate is a library fund reserve of $11,555. The library fund adds five cents to the tax rate.

Four added patrolmen are necessary, according to Mayor Jan Paul Dyk, because of the city's narcotics problems. However, Councilman Eleanor O'Hara Chapin pointed out that more police would be needed anyway, because of the city's "heavy concentration of bars and tremendous number of tourists."

Two firemen are to be added, Dyk commenting that at present there is but one fireman on duty in the second fire station, and the additional men must be hired to keep the city's fire insurance rating.

A salary resolution is to be adopted by the council later. However, City Mgr. Charles A. Brown announced that salary adjustments will be made so that 27 employees — 56 per cent of the city's force—will receive a two and one-half per cent salary increase, and 10 employees—25 per cent of the total—will receive between five and 10 per cent increase.

Salary adjustments recommended by the finance committee show an increase from $12,200 to $13,200 for Brown, and a 10 per cent increase for Asst. Fire Chief Frank Christ.

A two and one-half per cent increase is recommended for nine firefighters, a five per cent increase for public works foreman, superintendent of public works, building inspector, fire captain and deputy finance officer, as well as for fire and police chiefs, four police sergeants and 10 patrolmen.

Councilman Earl F. Dunphy, chairman of the finance committee, said he was concerned about the low amount budgeted for capital outlay. Brown said capital outlay becomes smaller while budgets grow in salaries and personnel. "It is a matter of changing an area of responsibility," he said.

From the audience, Helen Kerr asked if it would be possible to change the blinker light at Bridgeway and Princess Street to stop and go, saying "you could die there and nobody would know it." Brown related this could be checked through traffic studies.

Dunphy said the finance committee met at 10 meetings, a total of 29 hours, with about 30 hours of added work done by members at home. Councilman Alexander R. Imlay worked with Dunphy on the committee.

Mayor Dyk announced the council will hold a short meeting July 6, then adjourn to July 13 to handle business.

On July 6, the council plans to introduce and set for hearing an ordinance raising the fee at Parking lot No. 3, near Vina Del Mar Plaza, from 10 to 20 cents per hour. Parking Lot No. 1 and parking meters will remain at 10 cents per hour.

"We have found out with attendant parking the 10 cents barely covered the expense and a consensus of tourists is that they will say, 'Oh, is this all they charge?'" said Dyk.

Councilman Melvin S. Wax was absent on vacation.

Novato Park Funds Gain Over Proposal

The Novato City Council, after a four-hour study last night, tentatively approved a parks and recreation budget higher than recommended by the city manager but lower than requested by the parks and recreation commission.

Mayor Robert D. Carrow asked for citizen opinions at a council meeting at 8 p.m. next Tuesday regarding a 30-cent tax rate to finance a $100,000 park acquisition fund.

The $100,000 had been asked by the parks and recreation commission. City Mgr. J. Julien Baget proposed the fund be cut to $33,000, which would require a 10-cent tax rate according to his figures.

The commission asked for an operating budget of $78,110. This was cut by City Manager Baget to $55,125. The council put it back up to $61,065. Budget for the department for the fiscal year ending today was $40,405.

Biggest increase came in temporary employees, for whom the council allotted $32,810. Baget had proposed $28,635.

The maintenance and operational fund was increased to $9,640. Baget's recommendation was $7,910.

Grant Morse, president of the Novato Civic Foundation, said his organization hoped to match the proposed $33,000 in park acquisition funds with another $20,000 to $25,000 next year.

The council approved granting the Novato Junior Chamber of Commerce $1,000 for Western Weekend next year. This year it gave $750 for the celebration.

Strike Called Off At Cape Kennedy

CAPE KENNEDY, Fla. (AP) — Printing and reproduction workers who staged a construction-strangling, six-day wildcat strike returned to their jobs today after agreeing to submit their dispute to arbitration.

Locals 780 and 666 of the International Alliance of Theatrical and Stage Employes (AFL-CIO) voted unanimously last night to end picketing.

The strike over wages was against McGregor and Werner Inc., which provides printing and reproduction services at the space center.

More than 2,000 construction men had honored the picket lines, slowing work on vital space projects.

Support Pay Suit Is Filed

SAN FERNANDO (AP)—Marie (The Body) McDonald said yesterday her former husband, Harry Karl, is $13,000 behind in support payments for their three children.

In Superior Court, she asked a raise from $250 a month to $750 for each child, contending teen-agers cost more.

Karl is married to Debbie Reynolds.

Novato Highway Plantings Due

The irrigation system in the islands on Highway 101 through Novato has been completed and planting should start within a week to 10 days, Lawrence A. Coleman, director of public works, reported last night to the Novato City Council.

The irrigation system was delayed three weeks because of getting the wrong fittings for the irrigation pipe, Coleman said. The State Division of Highways has 30 working days to plant the center strips, he reported.

The islands are being landscaped in a joint agreement between the City of Novato and division of highways.

Pickets Convicted Of Trespassing

OAKLAND (AP) — Nine persons who entered the Oakland Army Terminal June 22 to protest the war in Viet Nam were found guilty of trespassing here yesterday by a U.S. commissioner.

The commissioner ordered four others who participated in the demonstration to stand trial in U.S. District Court on major misdemeanor charges of knowingly and willfully entering a vital or restricted area.

Those found guilty of trespassing were fined from $100 to $500 each. The other four could be fined a maximum of $1,000 or sentenced to a year in jail if found guilty.

North Coast Hit By Freak Bolts

EUREKA (AP) — Lightning bolts struck poles and transformers and blacked out parts of Eureka, Arcata and Fortuna early today.

Residents of Humboldt County were startled by the freak weather display, unusual for this time of year accord'ng to the Weather Bureau. But little real damage was done.

In Fortuna, 18 miles south of Eureka, one flash was so bright that the automatic street light system turned itself off, blacking out a 15-block area.

In Arcata, eight miles to the north, a lightning strike set off the fire alarm system in Trinity Hospital.

SCHOOLS' HEADACHE

Postwar Baby Boom May Go On And On

NEW YORK (AP) — For years, educators have been talking about the postwar baby boom and the problems it has meant for the schools.

Forget it! There's a bigger boom coming — lots more babies, lots more problems.

A report released here today by the National Education Assn. confirmed biological facts many people have overlooked.

Those babies born when Johnny came marching home from World War II have grown up. They're getting married. They're having babies.

In a few short years those babies will be starting school. That means more classrooms, more teachers, more taxes.

The report cited these figures from the U.S. Census Bureau, the nation's official baby-counter:

The number of births in the United States jumped from 2.9 million in 1946 to 3.9 million in 1947. Then it tapered off at about 3.7 million through 1950, hit 4 million in 1954, and in 1964 was 4.1 million.

This year the number of births may reach 4.5 million, and by 1970 it could hit 5.2 million. The Census Bureau acknowledges those figures could be smaller, depending on what it calls the nation's "fertility rate."

A limiting factor, according to the NEA report, is that most young women today seem to want three children. Ten years ago they wanted four.

The tidal wave of youngsters which soon will be hammering on the schoolhouse doors compounds the problem of paying for their education.

More and more of them are starting school earlier. They're staying longer.

Despite impressive gains in recent years, the report said, there is still a shortage of classrooms.

The NEA didn't try to project what all this is going to cost.

Wounded Boy Doing Well In Hospital

Blaine Jarrard Walter was reported "doing quite well" today at San Rafael General Hospital, recovering from a bullet wound in his buttocks sustained Monday when a policeman felled him as he threatened a crowd of people with a rifle.

Walter, 18, of Marin City, and Barry Growt were charged with criminal conspiracy and assault with intent to commit murder after they had returned to San Rafael seeking revenge for a beating Growt had taken in a fist fight earlier in the evening.

Walter had fired five shots about a service station in San Rafael just after midnight Monday. He was waving his rifle at a crowd of 20 people when Patrolman Phillip Green shot him.

Growt had originally given his address to the San Rafael police as Sonoma, but it was later discovered that he lives at 22 Crestview Drive, San Rafael. He also is 18 and not 22 as had been reported originally.

Street Banner Denied In Ross

The Ross Town Council refused Monday to allow San Anselmo's Festival Theater to hang a banner over Sir Francis Drake Boulevard advertising its summer productions.

Councilmen said the theater's request, to hang the banner near the San Anselmo city limit from July 7 to 30, would violate the town's sign ordinance.

The town council also postponed the start of repaving on Laurel Grove Avenue to Tuesday, so as to avoid conflict with the Marin Art and Garden Fair, which runs from tomorrow through Monday.

Living Costs Rise Again During May

WASHINGTON (AP)— Living costs advanced three-tenths of one per cent in May for the second straight month, the Labor Department reported today.

The rise lifted its index of consumer prices to 109.6, a new high. This was 1.7 per cent higher than a year ago.

The index reading means that consumer goods which could be bought for $10 in the 1957-59 period now cost $10.96.

The consecutive monthly increases of three-tenths of one per cent in April and May were the first such occurrence since mid-1963.

And, officials said, preliminary indications are that the index rose further in June. The June figures will not be compiled for several weeks.

An official of the Bureau of Labor Statistics said about half the May increase could be traced to higher prices for food.

Meat and fresh vegetables registered particularly sharp price rises. Unfavorably weather was a major factor in the higher cost of fresh vegetables. Rising demand and short supplies boosted prices of beef, veal, pork, and lamb.

Prices also edged higher in May for clothing and most consumer services.

Although expecting the index to show a further rise in June, a Labor Department official said he saw no evidence of strong inflationary pressure.

He declined to make a forecast beyond June, but he said food prices usually remain high until the fall harvest season.

He said the bureau found considerable evidence that merchants had cut some prices this month in anticipation of the reduction in federal excise taxes.

About 194,000 workers with labor contracts tied to the price index will receive increases in pay based on the May rise.

Quads Born In Scotland

DUMFRIES, Scotland (UPI) —Mrs. Marjory Mullaney, already a mother of six, gave birth last night to quadruplets—two boys and two girls.

"It's great," said her husband, Francis, 37, a driver for a local brewery.

A hospital spokesman said the 34-year-old housewife was in "excellent" condition and the quads, all in incubators, were "satisfactory."

The Mullaneys' other children range in age between 4 and 15.

County Employees Petition For Payroll Savings Plan

Marin County employees began circulating a petition yesterday asking Auditor-Controller Michael Mitchell to authorize employee payroll deductions for the San Rafael Federal Credit Union.

The employees, represented by Larry D. Wilson in the county Social Services Department, said they asked Mitchell for the deductions in March and he said it was impractical because the checks carried the full quota of seven deductions at the time.

Since March, the petition states, one of those deductions has been dropped.

Mitchell said today he was in favor of the savings deduction but added:

"It is the policy of the county administrator and the board of supervisors that there be no deductions unless a majority of the employees participate."

Wilson said 80 per cent of the employees in his department had already signed the petition

MUSIC REVIEW

San Quentin Concert Graduation Highlight

By MAYBELLE SPECKMANN

A new musical experience was hearing last night for the first time the 27-voice glee club and 26-piece band at San Quentin Prison during high school and elementary school graduation exercises.

Held in the Protestant garden chapel off a beautifully landscaped courtyard, the exercises were notable for being the first in cap and gown and the first attended by relatives of inmates. The large chapel was nearly filled.

Considering the constantly changing personnel and that very few of the men had any musical training before entering the prison, both the glee club, directed by Grady L. Davis, and the band, directed by Gene E. Short, gave remarkably good performances.

The rather unusual glee club program was explained by the fact that Davis selected only one number, "Pilgrims' Chorus" from Wagner's "Tannhauser"—their best performance. The men chose the others and sang them with spirit.

These were "What Shall We Do With a Drunken Sailor?" "Autumn Leaves," "Vive L' Amour." Some unexpected humor in the encore "There's Nothing Like a Dame," caused by a lapse of momery, was a thoroughly enjoyed lighter moment.

Charles Davis was a good piano accompanist for the songs not sung a cappella.

Of the band numbers, "Salute to Grofe" by Ferde Grofe, arranged by Paul Yoder, was the best performed. Others were "Pacific Grandeur Overture" by J. Olivadoti, "Moods Interlude" by Herbert Fred and "Prelude in C Minor" by Rachmaninoff, arranged by Clair Johnson from the original in C Sharp Minor.

Incidentally, since there is always a shortage of instruments, any tucked away in an attic would be warmly welcomed and put to good use in the music program.

So pleasant was the experience that it was difficult to realize that we were locked within prison walls. It was the only event we ever attended that had an exit requirement. Stamped on entering the prison on the back of the hand was an invisible fluorescent number that had to show up under a special light at the exit.

"If you don't glow, you don't go," quipped the guard.

City Hall Bombed Near Montreal

MONTREAL, Que. (AP) — A bomb exploded behind the City Hall of suburban Westmount City early today, shattering windows for blocks around.

The blast ripped out chunks of masonry and broke 40 windows in the City Hall, which was closed for renovation.

No one was injured.

Ed Harper, Westmount public safety director, said there was no immediate indication who set off the blast.

County School Post May Be Abolished

The vacant position of director of business services in the Marin County Schools Office will be deleted if staff recommendations are followed by the county board of education and county supervisors.

Schools Supt. Virgil S. Hollis and County Administrator Alan Bruce agreed to the recommendation in discussions yesterday.

The $15,000-a-year position was recently vacated by George L. Emmons, who resigned to take a similar post with the Pajaro Unified School District in Monterey County.

The shift would mean that one of the two assistant superintendents in the schools office would take over the business duties, Asst. Supt. Robert Stannard explained today.

It would also mean that $4,000 in county general fund money used to support Emmons' salary will be used to pay the salary of one of the assistant superintendents.

Most salaries in the schools office are supported in part by the county general fund and part by the schools service fund, made up of state subventions and contributions from school districts.

Bruce said the only saving in the deletion of the position would be $11,000 in the county service fund.

The National Park Service, after a decade of research through four million documents, letters and illustrations, is restoring Independence Hall and 25 historic buildings in more than six city blocks. The project could take 20 years.

Research Proves Women Broader

WASHINGTON (AP) — What you may have suspected has now been proven — women are broader across the seat than men.

Not much broader — 14.4 inches on the average to the men's 14 inches.

This is one of the findings of a survey of almost 7,000 adults from 18 to 79 years released by the Public Health Service Tuesday.

They made the survey to aid in the design of commercial, industrial, military or medical equipment "to insure its safe, efficient and comfortable use."

UNCLE SAM ENDS YEAR IN THE RED

Deficit Smaller Than Last Year; Gold Outflow Shrinks In Final Six Months

WASHINGTON (AP) — The government winds up another business year at midnight tonight with one important account approaching a surplus for the first time in years and another running red ink for the sixth straight year.

Preliminary figures indicate that the U.S. balance of payments will show a surplus in the April-June period. This means that the vast volume of dollars in other countries will be decreased for the first time since 1957.

The surplus was achieved through a program of persuading bankers and businessmen to curtail loans and investments abroad. Prospects are good for balancing the international payments this calendar year—a goal which has been attained in only one year out of the past 15.

The federal budget will run another deficit.

Exact figures on the two accounts won't be available for about six weeks.

The budget deficit for fiscal 1965, the year which ends tonight, is estimated at $3.8 billion. This will leave the national debt at about $317 billion compared to some $312.5 billion a year ago. A year ago the deficit was $8.2 billion.

Revenues are rising rapidly, despite a series of tax cuts which began in 1962—but so is the cost of government. Another deficit, now estimated at $4.4 billion, is scheduled in the new fiscal year.

This is likely to be pared during the next 12 months since President Johnson takes pride in reducing the deficit each year. Both Johnson and Secretary of the Treasury Henry H. Fowler have talked about bringing the budget gradually into balance — possibly in 1967, more likely in 1968.

However, Johnson has made it clear that additional tax cuts are on the planning boards and his economic advisers say priority will not be given to a balanced budget if more government spending is needed to stimulate the economy and bring unemployment down.

Congo Marks Fifth Birthday; Still Troubled

LEOPOLDVILLE, the Congo (AP)—The Congo celebrated its fifth birthday today with politicians crowing and the military marching. But the country's economy still is sickly.

Potentially it is one of Africa's richest countries, rich in industrial diamonds, copper, cobalt, uranium and other minerals. It has one of the world's great potentials for hydroelectric power, lush land and plentiful manpower.

But its economy is stagnant.

One reason is the lack of security. Rebellion has racked the vast central African territory since its first week of freedom in 1960.

These rebellions helped create the Congo's second great economic problem—overspending.

The military takes an enormous part of the budget.

The actual city of London is only one mile square.

Committee Is Planned To Find School Chief

Sausalito School District trustees last night agreed to participate in setting up a screening committee to interview applicants for the superintendent's position, vacant tomorrow.

The committee was suggested by Virgil S. Hollis, county superintendent of schools, who recommended his office suggest committee members and that other names be suggested by the Sausalito board. The names are expected to be presented to the board July 7.

Supt. Marcus F. Davis, who has resigned after seven years as superintendent, was spending his last day in office today. He reported that Hollis will appoint a representative from his office to handle administrative matters pending hiring of a new superintendent.

The board accepted the final report of the citizens advisory committee, thanked the committee spokesman, Jesse Berry, and agreed to study the report and give reactions at a later meeting. The report on ethnic problems in the district was made over a nine-month period.

The Sausalito School District Board Also:

1. Approved use of one more room at Manzanita School for the Marin County Child Care Center for the summer.
2. Learned that about 1,000 obsolete textbooks have been boxed and are being sent to Malaysia on request of the English Speaking Union.
3. Set for July 7 the annual organizational meeting of the board.
4. Heard from Davis that the board of supervisors has appropriated $105,000 for Manzanita School and that the housing authority has arranged to pay its $173,000 as promised toward the school, the remainder of the $600,000 for school construction being expected to come from a bond issue.
5. Agreed to hire Thomas Flynn, a retired colonel of San Francisco, as mathematics teacher at Richardson Bay School.
6. Approved underwriting $50 per teacher for those who apply to attend the Initial Teaching Alphabet in-service program in August.
7. Approved a revised agreement with City of Sausalito for use of Bayside School grounds for recreational purposes.

Bruce Leggett, 14, of 309 Fourth Street, Sausalito, was reported still in critical condition at Marin General Hospital today, six days after a motorcycle on which he was riding was struck by a car in Homestead Valley.

Mark Corey, 15, driver of the cycle, lives at 126 Filbert Street, Sausalito.

Leggett suffered head injuries in the accident, while Corey had less severe injuries of the head and multiple lacerations. Emmett E. Sappington, 69, of 127 Cazneau Street, Sausalito, driver of the car which hit the motorcycle, remained in fair condition at the hospital.

Car Is Stolen

George Gary Homenko of 6 Villa Place, Novato, reported to Novato police today that someone stole his 1953 cream colored MG convertible from his driveway between 9:30 p.m. yesterday and 5:30 a.m. today.

Park Items Discussed

Lacking a quorum, there was no meeting Monday night of the Mill Valley Parks and Recreation Commission, but with one man in the audience and liaison from City Councilman Joseph L. Sheeks, two items were discussed.

Theodore F. Kirby in the audience presented the commission with a petition signed by 60 persons asking that the playground at Molino Avenue and Janes Street be restored.

Sheeks discussed informally what might be done next week about completing Project 17. Next meeting will be July 12.

Congress Trims Tourist Shopping Sprees To $100

WASHINGTON (AP) — Senate-House conferees reached agreement today on a bill fixing a new $100 retail value duty-free allowance for purchases abroad which U.S. tourists can bring back to this country.

The new allowance would take effect Oct. 1 this year.

It compares with a limit of $100 wholesale value, the equivalent of $167 retail, which now is in effect.

Congress is racing to get the bill to President Johnson so that he can sign it before midnight. If it does not become law by then, the old limit of $500 based on wholesale value will go into effect tomorrow.

U.S. Smokers Ignore Warning On Perils

WASHINGTON (AP) — The Agriculture Department says cigarette smoking has jumped above the level it reached before the government report on smoking and health.

The department estimated cigarette consumption at 533 billion in the fiscal year ending today. That's 24 billion more than in the last fiscal year when consumption dipped 8 billion after the report was released.

Marin Motorcycle Driver Loses Leg In Collision

Neal Kirk, 45, of Santa Venetia, was hospitalized in fair condition today after his left foot and lower leg were severed in a three-vehicle collision yesterday in Petaluma.

Kirk was riding his motorcycle south on Petaluma Boulevard South, about a mile and one-half south of downtown Petaluma at 3:40 p.m.

A pick-up truck driven by Tommy Koga, 36, of Cotati, swerved from northbound lanes and struck the motorcycle, sending it crashing into a third vehicle, highway patrolmen reported.

Kirk, of 23 Venetia Meadow, was in fair condition today at Hillcrest Hospital, Petaluma.

Many Cambodian village parents shave a child's head, leaving only a center lock. When the child reaches puberty, the lock is cut off at a time set by the astrologer. When the child becomes officially an adult, the hair is left to grow, until he becomes a monk, or gets sick or a death occurs in the family.

Jury Pays Star For Desert Land

INDIO (AP)—A Superior Court jury has awarded actor George Montgomery $575,000 for five acres of land he owns in Palm Springs.

The land was sought in a condemnation suit by the Palm Springs Desert Hospital District to expand the hospital's parking facilities on Tachevah Drive.

The jury returned its verdict yesterday.

Montgomery, a former husband of singer Dinah Shore, valued the property at $450,000 and testified he thought he should be paid $600,000 for it. The hospital's appraiser valued the land at $160,000.

Third Suit Is Filed In Fatal Crash

A third suit in a traffic collision last Aug. 24 which took two lives and injured a third person on Redwood Highway near Marinwood was filed yesterday against Donald B. Sill, 38.

A. M. Bullard and his wife, Anne, parents of Diana Alice Bullard, 21, who was killed, ask $50,000 in wrongful death damages. The allege negligent driving by Still, then of 53 Unionstone Drive.

Miss Bullard and Carol Florence Fay, 23, both of San Francisco, and Shirley Tietjen, 22, of 10 Corte Cayuga, Greenbrae, were occupants of one car and Still was driving the second. Miss Tietjen suffered severe head, rib, shoulder, leg and internal injuries. She is suing Still for $30,000. Raymond E. Fay, father of Carol, has sued for $51,701.61 damages.

Still pleaded no contest to criminal charges of felony manslaughter and was given a 90-day jail sentence and three years probation. The jail sentence was later modified to 60 days but an additional fine of $750 was imposed. Still now has a sales territory in the Bakersfield-Fresno area.

Engineer John Oglesby Ends Last Public Job

John C. Oglesby, who has been engineer for nearly every incorporated city in the county, will give up his last public post tomorrow when he retires as Ross town engineer.

The town council approved his retirement with regret Monday, then named San Rafael civil engineer Philip B. Lygren to take the post.

Town Clerk Natalie Lewis said no one is sure exactly how many years Oglesby, who is 80, held the Ross job. He is thought to have served for about 40 years, however.

In 1962, he retired from a similar post in Larkspur after holding it for 49 years.

On top of that, he has been city engineer at one time or another for every city in Marin except Fairfax, and was Marin County surveyor for 20 years. That job was abolished when he retired at the end of 1954; its duties were added to those of the county road commissioner.

In 1959, he sold the county civil engineering firm he had run for a half century and became a partner in the firm of Oglesby, Jacobs and Wickham.

JOHN C. OGLESBY
Town engineer no more

He still maintains office hours with that company.

In 1959, Oglesby reported that he had long ago lost track of the number of subdivision projects in the county which he had engineered.

The town of Monterey was the capital of old California nearly two centuries ago.

Overseas Marines May Get Aid On Cars

WASHINGTON (UPI) — The House Armed Services Committee has approved legislation to provide for Marines transferred from Hawaii to Okinawa and South Viet Nam to ship their automobiles home at government expense. The measure would cost about $80,000.

The bill now goes to the House floor. The Pentagon requested the action after wives of Marines stationed in Hawaii complained when they found out they would either have to sell the cars or ship them back to the mainland at their own expense.

Wind Grounds U.S. Spacemen

KING SALMON, Alaska (AP) —Thirteen astronauts studying for a trip to the moon are hoping the weather is better there than it is in King Salmon.

Winds of 40 miles per hour, turbulence and rain yesterday grounded Army helicopters which were to have flown the trainee spacemen to the Valley of Ten Thousand Smokes.

The astronauts are in Alaska to explore a field of volcanic ash.

airfax Aides To Get Only Routine Raise

Fairfax city employees will receive normal step pay raises this year, though the city council Monday night declined to grant them a two and one-half per cent cost of living adjustment, City Administrator David J. Sumbardo said today.

Step increases are automatic yearly raises granted each civil servant until he reaches the top of his pay scale. Cost of living increases, granted by many cities, are additional raises.

87,393 FOREST FIRES IN ONE YEAR!

Seven out of every eight of those fires were caused by man.

It only takes one thoughtless moment to kindle an entire forest—scorching out campsites—and leaving thousands of wild animals without homes or food.

It's up to every one of us to help stop this senseless waste. Do your part. Be careful with every fire. Follow Smokey's ABC's.

Always hold matches till cold—then break them in two!

Be sure you drown all fires out and then—stir the ashes and drown again!

Crush all smokes dead out in an ash tray!

Please! Only you can prevent forest fires

Teachers Open School In Hub; Freight Traffic Firm Opens

Four Marin County school teachers have joined forces to open a school for children 3 to 6 years old, known as the **Alpha-Bet School**, at 1509 Sir Francis Drake Boulevard, San Anselmo.

It starts July 19 with a four-week summer class offering a program of foreign language, history and customs, music (creative, interpretive and folk dances, rhythm, instrument making and playing, folk songs, popular songs, children's songs and composing), science and nature and arts and crafts.

Principals are **Mrs. Ruth Rogers, Mrs. Selma Brix, Mrs. Donna Sloan** and **Mrs. Patricia Barbera**, all teaching locally. They will also open a fall class Sept. 13 when parents may select hours, days and subjects that best fit their children's needs.

A NEW BUSINESS in freight traffic management has been established by **H. A. Arvidson** of Kentfield. Name of his firm will be **T. A. Arvidson and Associates.** It is located at 946 Sir Francis Drake Boulevard.

Services consist of auditing freight bills, filing claims for recovery of overcharges and the filing of claims for loss and damage.

Arvidson has handled freight traffic management problems for several years. He has worked for a number of railroad lines and other companies, specializing in that field.

CONTINENTAL RENT A CAR SYSTEM, INC. has announced plans to add two more Marin County substations and also a central service and sales operation near Novato. The company has already established two locations in the county: Southern Marin is being served by **Sausalito Shell Service** and Central Marin is represented by **Cliff Archer's Chevron Service** in Larkspur.

Continental specializes in industrial rentals, consumer delivery and one-way rentals anywhere in the United States.

ENTRY OF Sears, Roebuck and Co. into the automobile financing field this week was not unexpected. It has been predicted for some time.

The firm's new affiliate, **Allstate Credit Corp.**, has opened 36 offices throughout the state. **John Bohner** of **Allstate Insurance Co.**, San Rafael, notes that this office and Novato offices in the Nave and Novato-Fair shopping centers are not licensed to issue checks for automobile purchases, but says that they can arrange financing and have loan application forms available. Automobile buyers may then either pick up the check at the San Francisco office or have it sent direct to the selling automobile agency.

JOHN R. PITCAIRN of San Rafael was the author of the cover story "Formula for Cost Cutting" in the June issue of the Western Livestock Journal. It discusses a method of combining computer, management and a feed nutritionist to cut feed costs for a cattle feeding operation. Pitcairn operates a management service company in San Francisco.

BRICE BROTHERS MARKET in the Bel Aire Town and Country Shopping Center on Tiburon and Blackfield Drive is celebrating its 13th anniversary today through July 10 with bargains in each department, prizes and free food sampling.

Three first prizes, a stereo set and two television sets, will be awarded in a drawing July 10. Coupons available at the store.

The market has been extensively remodeled and has returned to the practice of not packaging its meats in advance, with butchers offering exact cut and amount desired. Manager **Don Rubke** notes that the store now has a "new-old look"—with the latest, up-to-date features, combined with old fashioned friendly service.

Stock Market Closes With Mammoth Gain

NEW YORK (AP) — The stock market closed with a mammoth gain today.

Trading was heavy throughout the day.

The market reached its peak about midafternoon, then tapered off somewhat.

The institutions were reported buying heavily and some small investors were nibbling at bargains from the six-week slide that preceded yesterday's rally.

Advances of around 2 points were made by U.S. Steel, Chrysler and Douglas Aircraft. Up more than a point were General Motors, Ford, Du Pont, Polaroid, Eastern Air Lines and Eastman Kodak.

Volume for the day was estimated at 7.5 million shares, compared with 10.49 million yesterday.

Here was the picture toward the close:

Trading was extremely heavy early in the session, then the pace slackened.

At 2 p.m. the Dow Jones average of 30 industrials was up 15.14 at 866.54, its high for the day.

The Big Three motors, Chrysler, Ford and General Motors, which were the most active Tuesday, appeared to be headed for a repeat. General Motors and Chrysler were up about 2 points and Ford was ahead about 1.

Institutions were credited by brokers for playing a big part in the two-day buying wave.

There were some indication that the small investors were joining in the stampede.

IBM advanced 7 points, Zenith and Xerox gained 3 and Du Pont and American Telephone added about a point each.

Prices were higher in active trading on the American Stock Exchang.

Corporate and Treasury bonds were mostly unchanged.

Building Up 31.4% In May

Marin County building activity increased 31.4 per cent in May over the same period in 1964, the Marin County Development Assn. reported today.

Permits were issued for new construction in May totaling $7,233,565, bringing the total for the year to $38,596,533. That amount represents an 8.6 per cent increase over the $35,546,095 authorized for the same period last year.

Most of the cities and unincorporated areas showed generally greater totals. Greatest activity was in Novato and its adjoining unincorporated area, where $2,041,026 in building was authorized. San Rafael was next, with $1,416,537; Santa Venetia-Gallinas with $500,926, and Corte Madera with $490,889.

Kaiser, Chrysler Make Aluminum Deal

OAKLAND—Kaiser Aluminum and Chemical Corp. has signed an agreement with Chrysler Corp. to supply molten aluminum to Chrysler's new Kokomo, Ind., casting plant.

Terms of the agreement provide that Chrysler can take up to 60 million pounds of aluminum for a period of not less than five years, with deliveries to begin late this fall.

Vegas Flight Set To Start

SAN FRANCISCO — Western Air Lines fanjet commuter service between San Francisco and Las Vegas will begin Thursday.

Dan Connell, district sales manager, said, "The new low cost service is already experiencing heavy advance bookings."

Western offers six daily Boeing 720B fanjet commuter flights at a one way fare of $23.81 between the two cities.

Huge Cement Kiln Planned

MILWAUKEE—A 580-foot tubular cement kiln, part of an investment of more than $20 million by Medusa Portland Co., Cleveland, will be built by Allis-Chalmers.

The 18½ foot diameter steel kiln, destined to become the nation's most productive, will be capable of producing four million barrels of clinker annually to be ground into cement.

It will be installed as part of a $3.5 million order including stone crusher, four grinding mills and a traveling grate cooler. It will be operative by mid 1967 at Medusa's new plant at Charlevoix, Mich.

Pointers for Profit

Recent market action leaves no doubt in my mind that many investors need help. One of the most common questions asked is, "Shall I sell or is now the time to buy?" At present, the market is in what I would call a short term vulnerable position. This is evidenced by sizable daily dips that would normally take place only as a result of important actions or changes on the part of our government or important individuals. The fact that such dips take place without any specific explainable actions puzzles the investor.

The one growing situation in this Country that has been a constant source of worry to me is the increasing extension of credit to the average individual. No matter what he earns, he is invited to spend more and pay for it later. As a result, any downtrend in the market is accentuated by the necessity of individuals to liquidate holdings. As the value of equities drop, borrowing power also drops. Additional collateral is needed, or in many cases liquidation takes place. Those in the market for relatively short term action trigger a selling action.

Invest only what you do not need for a comfortable living or for an emergency! Remember there is no easy short term profit—no one can tell you how to make a quick profit! INVEST—DON'T SPECULATE!

Plan your future. Call for an appointment — Edgar T. Lindner, 453-1673, 1005 A Street, San Rafael, Calif.

Garbage Pick-Up To Be Continued

Garbage pick-up will continue in Tiburon, at least through the weekend, under an agreement worked out yesterday between the city and Mill Valley Refuse Service Inc.

The company announced yesterday that it would stop service tomorrow to about two-thirds of the city which is not now under a garbage collection franchise, since the city had as yet taken no action on a franchise.

The company has a franchise with the Tiburon Sanitary District, covering about a third of the city. The city wants to take over the franchise.

The city council will meet in special session at 7 p.m. tomorrow at Del Mar School to consider the garbage collection agreement.

Electricity Cut Off To 700 Marin Homes

Electricity was cut off to about 700 southern Corte Madera and Tiburon Peninsula homes during dinner hour last night, and falling power lines caused two grass fires.

A spokesman for Pacific Gas and Electric Co. reported today that the breaks aparently occurred as a chain reaction to a truck backing into a power pole in the 500 block of Paradise Drive, causing a wire to break at about 5 p.m.

The fluctuating flow of current which resulted caused breaks in other wires, PG&E representatives said.

Power was off from about 5:10 p.m. to 6:10 p.m. In southeast Corte Madera, where about 500 homes were affected, it was off or uneven for parts of the Tiburon Peninsula for an additional hour and one-half.

Power lines were reported down in the Seafirth area of Tiburon. At 6:10 p.m. a small grass fire was caused by a fallen line at Tiburon Boulevard and Cove Road.

Another fire caused by a downed line burned half an acre of grass in the 2500 block of Paradise Drive, Tiburon firemen reported.

At 8:01 p.m. Tiburon firemen were called to the Dock Restaurant, 25 Main Street, to put out a fire in the motor which powers a blower to clear fumes from the kitchen. Firemen said the fire apparently was the result of the engine being damaged by uneven electrical flow.

Boy Scout Dies On Sierra Outing

FRESNO (AP) — Shock and respiratory failure were blamed yesterday as the primary cause of death of an Eagle Scout who died while on a hike in Kings Canyon National Park.

William R. Plants, 16, of Montebello was dead on arrival at Fresno County Hospital Monday night after collapsing on the hike with 23 other scouts and six adults. He was flown to the hospital by a park helicopter.

Other hikers told Lt. Walter Cook, Fresno County chief deputy coroner, that Plants had fallen backward while hiking on a mountain trail. He apparently struck his head on a rock, but regained his footing and continued the hike.

An autopsy revealed Plants had suffered a cerebral concussion and bleeding inside his head.

Emerson Crushes Dennis Ralston

WIMBLEDON, England (AP) —Defending champion Roy Emerson of Australia crushed California's Dennis Ralston, 6-1, 6-2, 7-9, 6-1, today and gained the finals of the Wimbledon Tennis Championship.

Australia's Fred Stolle defeated South Africa's unseeded Cliff Drysdale, 6-3, 6-4, 7-5 and gained the final for the third straight year. Stolle was beaten in the 1963 final by American Chuck McKinley and bowed to Emerson in the 1964 title match.

The lean, razor-sharp Emerson took advantage of the 22-year-old top-ranking American's serving jitters and romped to a quick and decisive triumph.

It took the Aussie only 20 minutes to win each of the first two sets. Ralston rallied gamely to take the third set but Emerson reached the top of his game in the fourth set to close out the match.

Emerson, taking advantage of Ralston's jittery service, broke the American three times in the first set. Ralston, serving first, double-faulted in the first game and was broken easily. The same thing happened twice more as Emerson closed out the set by breaking Ralston's service.

In the second set the Aussie made the key break-through on Ralston's service in the sixth game for a 4-2 lead as Ralston lost the last point on a double-fault. Emerson then held his own service and broke Denny's service for the set.

The huge, capacity crowd in the stands surrounding the center court enjoyed Emerson's fantastic tennis but obviously was sympathetic to the underdog from Bakersfield, Calif. The fans cheered wildly as Denny, with his back to the wall, fought like a tiger in the third set.

In the 12th game of the third set, with Emerson leading 6-5, Ralston fought off four match points on his own service. He served three double faults but kept his head and pulled out the game to tie the set at six-all.

Then suddenly Ralston broke Emerson. He pushed over a lob that Emerson put out. Then he sent a cross court backhand that — according to the line judge — was in. Emerson and the crowd thought it was out.

That put Ralston at 8-7 with his own service to come. And he held it with some good serves to give him the set at 9-7.

At this stage of the match Ralston had served 10 double faults against Emerson's three.

Although his success put new heart into Ralston, whose volleying became crisper, he still hadn't solved the problem of his service. He served three doubles in the fourth game and let Emerson get a vital break to 3-1 in the fourth set.

Emerson eagerly snatched his opportunity and ran away with the next game to love for 4-1. The Australian, undeterred by losing a set, was still playing almost superhuman tennis and two angled volleys and yet another Ralston double gave Emerson a 5-1 lead with his own serve for the match.

Emerson made no mistake this time. He killed a despairing Ralston lob, and banged over a serve deep to the backhand for Ralston to put out. With a match point for the sixth time, Emerson sent over another vicious serve which Ralston hit out.

LOOKING FOR SOMETHING, DICK?

St. Louis shortstop Dick Groat bends down over the ball after dropping a throw from first baseman Bill White, allowing Philadelphia's Cookie Rojas to slide safely into second during yesterday's game, won by Philadelphia, 7-1. Calling the play is umpire Al Foreman. John Callison had hit a grounder to White who tried the force out at second. (UPI Telephoto)

Perry Hurls For Giants Tonight

HOUSTON (AP) — With the National League race tightening around them, the San Francisco Giants walk under the dome tonight in Houston for a one-night stand.

Manager Herman Franks, still waiting for his Giants to break out into an extended win streak, must be wondering by now what devious schedule maker put the Giants in the Astrodome for one show only before a day off.

After Gaylord Perry (6-7) meets the Astros' Dick Farrell (6-2), the Giants take off again for Chicago, where they open a three-game series against the Cubs starting Friday.

The Giants left on their 11-game road trip after running into Sandy Koufax of the Los Angeles Dodgers yesterday afternoon before 29,380 fans at Candlestick Park.

Although Koufax stiffened up and surrendered two runs in the ninth, he still won easily 9-3 with battery-mate John Roseboro driving in five runs.

The victory kept the Giants 3½ games in back of the Dodgers after the two teams split the two-game series. The Dodgers took off immediately for a doubleheader scheduled today in Chicago.

The Giants face their 1 away games in a 10-day span, ending July 11 in Philadelphia. Then comes the break for the All Star Game in Minneapolis July 13 before the Astros visit Candlestick Friday July 16.

Jim Gilliam knocked his third homer in the first inning off loser Bob Shaw (7-5) after Maury Wills bunted safely for the first of his four singles.

The Dodgers continued to make Shaw's 32nd birthday miserable with two runs in the third that scored on Roseboro's bases loaded single.

Wills got his fourth hit in the ninth off Ron Herbel, the third Giants pitcher. Willie Davis doubled Wills across. Ron Fairly walked and Roseboro hit his fourth homer over the right-field fence.

Cap Peterson made his $90,000 bonus look justified by slamming a 430-foot line drive homer in the fourth off Koufax. Peterson also doubled in another run in the ninth. He scored the third San Francisco run on a single by Jack Hiatt.

"I can't complain about the long innings because we were scoring runs," said Koufax as he soaked his ailing pitching arm in a sinkful of ice. "But my back stiffened up in the ninth inning. It's tough to stay loose in this wind."

Koufax, who became the first 13-game winner in the majors, struck out 10 men for the 70th time, breaking his own major league record, and gave up eight hits, three in the ninth. He walked one.

Franks Has Been Doing Fine Job His First Year As Giants Pilot

CONNOLLY

How do you determine when a manager of a ball club is doing OK?

Does it have to mean his club is winning regularly?

As the San Francisco Giants head toward the halfway mark of the 1965 season, the sizzling question is: how good is manager Herman Franks?

The stewardship of the S.F. club is a ticklish job. There are so many different types of temperaments to contend with that any inexperienced leader could get himself into a dilemma just analyzing his job.

Herman Franks, in my opinion, has done a fine job with a banged-up club. He's kept peace on the club, avoided controversy and engendered in the scrambled outfit the desire to win.

PERHAPS THE principal reason Franks has been successful so far is because he is not a sheriff, a house dick or a disciplinarian of the prison warden type.

The injury list of the Giants is enough to shatter the poise of any hard fisted leader of men. To endure it, and still maintain a calm attitude, has to be commendable.

Franks consumed the Orlando Cepeda setback rather gallantly. He never once winced or alibied, always pretending the loss of Orlando was only temporary, while knowing full well the exact extent of how serious it had to be. Smothering that setback with outward calm, I believe, decoyed the players. It helped team morale.

ANOTHER BIG milestone in Herman's so far brief career was his sanction of the trade of Jose Pagan. That was a terrific diplomatic decision and caused no explosion. Over the years, Pagan became one of the symbols of peace with the Giants. He sort of held together the Dominican and Carribean group of players. To trade him away and still hold the esteem of his countrymen was a master stroke. It left no hard feelings. Juan Marichal and the Alou boys went right along accepting it in stride and without any repercussions.

Other deals made since the 1965 season opened left the judgment of Franks unquestioned. Nobody, for instance, blamed him for the passing of Harvey Kuenn, Ed Bailey, Chuck Hiller or Jim Duffalo. And in my opinion that was a fine tribute to Herman's solidarity with his players.

TO KEEP PEACE in the Giant family, Frank exerted his influence by installing Bob Shaw as a starting pitcher and relegating an old favorite, Jack Sanford, to the bullpen. All in all the handling of prime personnel moves hasn't hurt Franks.

The treatment afforded outfielder Willie Mays, and his "day off" program is working out very successfully. Willie just passes along the word that he could do with a rest and no sooner said than done. It is the same procedure followed with other injured or ailing players. And as a result of this mutual understanding in the ranks, no player on the club has "jaked" this year.

SO IF YOU have any suspicions of the ability of Herman Franks to boss the Giants, forget 'em. He's running according to Hoyle and with a free hand from the top brass. He has been able to decoy the beheading of expensive old timers to the satisfaction of his bosses on the theory youngsters propose a great potential for the club's future.

Will Herman be around for a spell? We'd say yes, and when he does leave, he'll be the one who asks for a dismissal.

Indians Win, Take Lead

BY ASSOCIATED PRESS

A year ago Ralph Terry was trying to break out of the New York Yankees bullpen and the Cleveland Indians were doing time in the second division.

Today Terry and the Indians are on the loose while the Yankees are where Cleveland was last June 30 — sixth place.

The torrid Indians took the American League lead for the first time last night by pounding Boston 8-5 as ex-Yankee Terry picked up his eighth victory of the season.

The tall-right-hander had won only two at this point last year and had lost his starting job. He was 2-6 with one complete game and a 6.95 earned run average.

"The Yankees tried to use me in relief," Terry said, "but I didn't go well and I think they gave up on me."

Terry, who had won a total of 40 games in the two previous seasons, wound up 7-11 for 1964 and was dealt to Cleveland last October.

He won four of his first five starts, then went a month without a victory before starting to roll again. Last night's victory was his fourth straight. He has five complete games, two shutouts — including a 4-0 white-wash of the Yankees — and a 2.68 ERA.

The Indians' 16th victory in their last 18 games moved them one-half game ahead of second place Minnesota. The Twins edged Chicago 7-6 in an afternoon game, dropping the White Sox from a first-place tie into third position, one game out.

Washington, meanwhile, nipped the Yankees' five-game winning string with a 2-1 verdict over the defending AL champions, who fell 10 games off the pace and three under .500.

Baltimore topped Detroit 3-2 on Curt Blefary's two-run single in the eighth in the only other AL game scheduled.

Terry helped himself to a 7-0 lead with a two-run double in the second inning. The Indians struck for four more runs in the third, Max Alvis belting a two-run homer for one of his three hits. Pedro Gonzalez, another former Yankee, knocked in two runs with a homer and sacrifice fly.

Terry was nicked for two runs before giving way to Don McMahon in the seventh. Tony Horton hit a three-run homer off McMahon in the ninth.

Minnesota pushed over the winning run in the last of the ninth on a double by pinch hitter Bernie Allen, a sacrifice bunt and Zoilo Versalles' scoring fly. Smokey Burgess' two-run pinch homer had tied the score in the top of the inning. Jimmie Hall and Harmon Killebrew each drove in two runs for the Twins.

Frank Howard broke up New York southpaw Al Downing's no-hit bid in the seventh with a towering homer and the Senators won it in the eighth on an error by Clete Boyer, a wild pickoff throw by Downing. Bob Chance's single and Ed Brinkman's sac fly. Bobby Richardson doubled in the eighth and scored New York's run on an error by Ken McMullen.

John Orsino's single, Brooks Robinson's double and Blefary's two-base shot enabled Baltimore to end a three-game skid and take fourth place, one game ahead of the Tigers. Rookie John Sullivan had put Detroit in frot 2-1 in the fifth with a two-run homer.

WILT CHAMBERLAIN MIGHT TURN BOXER

NEW YORK (AP)—Wilt Chamberlain is quitting professional basketball to become a heavyweight fighter, according to sportscaster Frank Gifford.

Gifford said on his Tuesday CBS radio show that Chamberlain would announce his retirement from the Philadelphia 76ers within the next two weeks, then go under the tutelage of boxing veteran Cus D'Amato, who trained former heavyweight champion Floyd Patterson and current light heavyweight champion Jose Torres.

Chamberlain was not available for comment, and D'Amato declined to discuss the report.

Gerry Lindgren Finishes Second

ZURICH, Switzerland (UPI)—Gerry Lindgren, who last week defied an NCAA ban and competed in the AAU national championships, yesterday ran second to Derek Graham of Great Britain in the 5000 meter run in an international track meet.

Paul Wilson took the pole vault event with a 15 foot, 7 inch effort and Mike Larrabee of Fillmore, Calif., who holds the world record in the 400 meters, ran fourth in that event and second in the 200 meters.

Bob Beattie Will Coach U.S. Skiers

BOULDER, Colo. (UPI)—The U.S. Alpine ski team had the University of Colorado's Bob Beattie as its first full-time coach today. The surprise appointment was viewed as a major step in the U.S. Ski Association's drive to hike America's stature as a world ski power.

Beattie, a native of Manchester, N.H., accepted a three-year $15,000-a-year contract from the association yesterday. He announced he would leave his post as head skiicoach at Colorado, where his teams won two national championships and four runnerup titles in his eight years.

The 32-year-old Beattie coached the American squads in the 1964 Winter Olympics at Innsbruch, Austria, and in the world championships in 1962 at Chamonix, France.

The association, with headquarters in Colorado Springs, Colo., last week announced a drive to raise $450,000 for national ski team training.

$9 MILLION DEAL

NFL Franchise In Atlanta

ATLANTA, Ga. (AP) — Insurance executive Rankin McEachern Smith has been awarded the National Football League franchise for Atlanta, an informed source told The Associated Press today.

Smith could not be reached for comment.

The 39-year-old Smith is executive vice president of Life Insurance Co. of Georgia. He won the franchise in a battle with wealthy sportsman Lindsey Hopkins Jr.

Speculation was that the going price for the NFL franchise was near the $9 million figure.

Atlanta's Stadium Authority set a meeting today to consider applications for occupants of the $18 million arena that already has been sought by the American Football League.

Cox Broadcasting Co. of Atlanta got the AFL Atlanta franchise, conditional on a stadium contract. The price tag was $7.5 million.

Smith is one of the youngest high-level insurance executives in the nation. He was a late starter in the race for Atlanta's new professional football franchise.

Smith made his bid a few days after NFL Commissioner Pete Rozelle met with the Stadium Authority June 8. The insurance executive had been a member of a franchise-hunting group headed by Jim Clay but then moved out on his own to fight for the NFL franchise.

An avid sportsman, Smith is a member of the State Game and Fish Commission.

Koufax Is 1st Major League 13-Game Winner

By MURRAY CHASS
Associated Press Sports Writer

Sandy Koufax finally has overtaken Sammy Ellis. He's also surpassed Sandy Koufax.

The Los Angeles Dodger ace recorded his 13th victory in the National League leaders' 9-3 triumph over San Francisco yesterday.

Ellis, on the other hand, spent 14 innings trying for his 13th victory but couldn't get it. Instead Cincinnati wound up losing to Pittsburgh 2-1 in 16 innings. The Reds came back and won the nightcap 7-5.

In winning his seventh straight game, Koufax completed a masterful month of pitching. During June he won six times, one more than he ever has won before in one month.

The 13 triumphs also are the most the 29-year-old left-hander has had by the end of June. In 1963, Koufax won five games in June, giving him a 12-3 record en route to a 25-5 season.

But it took Koufax the entire month to edge by Ellis, who has blossomed into a sterling starter after spending last season in the bullpen.

The Reds' right-hander won his eighth game at the beginning of the month, five days before Koufax gained his eighth. Ellis proceeded to reach No. 9 six days before Koufax and No. 10 one day before.

Koufax then pulled even, each winning his 11th June 20 and his 12th last Friday. Each has lost three times.

Ellis came within an inch of making sure Koufax didn't get by him. Referring to Bob Bailey's 13th inning single that tied Tuesday night's game, the 24-year-old hurler said:

"He didn't hit it hard. It just ticked off my glove. If I get an inch closer to that ball, we win a ball game."

In other National League games Philadelphia whipped St. Louis 7-1 and Milwaukee trimmed New York 8-6. Rain washed out Houston and Chicago.

Ellis gave up just four hits in 14 innings but wasn't around when Roberto Clemente singled home Bailey with the winning run in the 16th. Ellis scored the Reds' only run, racing across as Pete Rose singled in the 13th.

Rose batted in three runs in the nightcap, the first with a third-inning triple and two more with a single in a five-run fourth-inning outburst. Pitcher Joe Nuxhall also drove in two runs with a single in the inning.

Bo Belinsky stopped St. Louis on six hits, winning his third game against four defeats. Philadelphia supported him with a bases empty home run by Tony Gonzalez, a two-run homer by Johnny Callison and Dick Stuart's three-run blow.

The Braves outlasted the Mets with the help of two errors by Johnny Lewis and one by Chuck Hiller. Lewis' first miscue led to the run that broke a 4-4 tie in the sixth, Mathews scoring on Denis Menke's sacrifice fly. Warren Spahn suffered his 11th setback. He has won four times.

New York Giant Boss Jack Mara Succumbs

NEW YORK (AP) — Jack Mara's death from cancer yesterday left the New York Giants of the National Football League without a leader. It broke up a brother combination that had developed the club into a multi-million dollar enterprise in the years since their father, Tim, an NFL pioneer, had turned operation over to his sons.

Jack, 57, was the administrator, the man who negotiated with the radio and television people, the man directly concerned with matters effecting the club and the league. Wellington, eight years younger, has been more concerned with player, coaching and scouting affairs.

In the early years of the NFL, Tim Mara had been one of the Big Three who were most influential in policy matters. George Halas of the Chicago Bears and George Preston Marshall of the Washington Redskins were the others.

First Time: No Yankees On Starting All-Star Team

NEW YORK (AP) — Felix Mantilla, a New York Met reject, was named today on the 1965 American League All-Star starting team which for the first time in its 33-year history failed to list a single member of the New York Yankees.

Mantilla, the American League's runs-batted-in leader, beat out Bobby Richardson of the Yankees for the second base job on the opening line-up which will face the National League's best on July 13 at Minnesota.

The veteran Boston Red Sox infielder, who also has played the outfield, is the league's fifth leading batter with .317.

Third baseman Brooks Robinson of the Baltimore Orioles was the only repeater from the 1964 opening line-up. Robinson was joined by four players who made the team for the first time. They included shortstop Dick McAuliffe and left fielder Willie Horton of the Detroit Tigers, center fielder Vic Davalillo of the Cleveland Indians, and Mantilla.

Other starters, chosen by a vote of 280 league players, coaches and managers, were catcher Earl Battey of Minnesota, first baseman Bill Skowron of the Chicago White Sox and right fielder Rocky Colavito of the Indians.

In all, the American League starting team, exclusive of the pitcher, comprised two players each from Cleveland and Detroit, and one apiece from Baltimore, Boston, Chicago, and Minnesota.

Shut out, besides the Yankees, were Washington, Los Angeles and Kansas City.

Commissioner Ford Frick, whose office conducted the balloting, said the National League starting line-up will be announced Sunday, July 4. The remainder of the squads, including the pitchers, will be announced later.

Al Lopez of the White Sox, who will manage the AL All-Stars, was expected to name eight pitchers. Gene Mauch of the Philadelphia Phillies, will manage the National Leaguers. Each squad will carry 25 players.

The Yankees who, back in 1939 and 1940 had five starters in the opening line-up, managed to land two runner-up positions.

Catcher Elston Howard, sidelined for five weeks following an elbow operation, finished second to Battey. Richardson was runner up to Mantilla.

The closest vote was for first base where Skowron narrowly won from Killebrew, 125 votes to 108. The biggest surprise was Mantilla's better than three-to-one margin over Richardson, 180 votes to only 56.

Horton, the only rookie on the squad, attracted the second highest number of votes, 198. Yastrzemski, his closest pursuer, had 44.

Davalillo, who received 185 votes to Hall's 72, leads the league in batting with .347. Horton, Mantilla, McAuliffe and Robinson also are batting over .300.

Last year's game was played at Shea Stadium in New York, where the National League won 7-4 to even the series at 17-all. One game ended in a tie.

The National League has won six of the last seven games.

TENNIS IN THE STREETS

Playing tennis in the street, professional players stage an exhibition for the lunch hour crowd in front of the old Post Office in St. Louis yesterday. U. S. players Butch Buchholz and Pancho Gonzales in front court and Australian players Rod Laver and Ken Rosewall in back court perform in the exhibition to advertise the International Professional Tennis Tournament being held there. These same pros played last month in a $6,000 tourney staged at Peacock Gap Country Club in San Rafael, with Laver beating Gonzales in the finals.

'BIG 3' MISSING FROM WESTERN OPEN

CHICAGO (AP) — Golf's big guns, U. S. Open champ Gary Player, Jack Nicklaus and Arnie Palmer — will be missing, but the $70,000 Western Open starting tomorrow won't be exactly a poor man's outing.

Eight of the Professional Golf Association's top 15 official money winners, including reigning British Open champion Tony Lema, are included in a 135-pro field.

While Player, Nicklaus, Palmer and U. S. Open finalist Kel Nagle are making the British Open, July 7-9, their next endeavor, Lema again is giving the vernerable Western Open a touch of his class.

Last year, Lema also skipped early exploration of the British Open scent, playing the Western Open for a sixth place tie, then flying to St. Andrews to capture the British Open and captivate its galleries.

After Sunday's final Western Open round, Lema will fly to England and a quick preparation for his British Open title defense at Southport's Royal Birkdale course.

Last year's Western Open was won by Chi Chi Rodriguez with 268 — 16 under par. Lema scored 278, one stroke less than his winning 279 over historic St. Andrews for the British Open title a week later.

Lema, second in the PGA money list with $53,539, will shoot for the $11,000 Western Open top prize with five other winners of at least one tourney on the 1965 tour, plus Rodriguez.

Field for the 62nd Western Open, second oldest major event in the country, also includes Australia's Bruce Crampton, a triple winner on the circuit and fifth in cash collecting with $45,354.

Other entries rated among the top 15 money winners, all bunched close to $30,000 in earnings, are Julius Boros; newly-crowned St. Paul Open champion Ray Floyd; Bert Weaver, Frank Beard, Gene Littler; and Billy Casper. All except Littler and Casper have won a PGA event this year.

SPORTRAIT OF A MARINITE

Joe Anselmo Architect Of Top Semi-Pro Baseball '9'

By GLENN BECKER

It may seem odd to those who follow the I-J's coverage of Marin players in organized baseall that of the four now in O.B. three are in the Houston chain.

It may seem just as odd to followers of semi-pro ball in the Bay Area that the Billings-Hutchison Builders of San Rafael are perennially the strongest club in Marin and one of the strongest in Northern California.

Such situations are usually not coincidental. In this case, they can be traced to the efforts of one man, Joe Anselmo of San Rafael.

JOE ANSELMO
Builder of champs

JOE IS the architect of the B-H team which has compiled a record in its three years of semi-pro competition of 161 victories and just 27 defeats. Twelve of these losses were to Milens Jewelers by one-run margins and only five were to Marin County teams. In their next two meetings with the Milens club (now called the Husteads), the Builders took a one-runner of their own and then routed their tormentors 13-3.

THERE ARE obvious reasons for the Builders' success. "All my ball-players," Anselmo states, "are either pro prospects on the way up or fellows who have had pro experience. We have a total of 43 years of pro experience on our club."

Anselmo hiimself is a former professional player who played in organized ball from 1946 through 1949 after graduating from Galileo High School in 1945. He performed in the California, Arizona-Texas, Pioneer and now defunct Far-West leagues, playing with Marinites Joe DeMaestri and Bob Nelson. DeMaestri later played infield for many years in the American League, while Nelson caught for San Diego and "had a cup of coffee with Boston."

ANSELMO'S PRO career came to a sudden, sickening halt in the winter of 1949, when he was playing in a winter league exhibition at Funston Playground, San Francisco.

"I saw the pitcher's arm go down and I woke up in the hospital," he relates. "I was hit an eighth of an inch from the temple. I had a fractured skull and a concussion, and I was in serious condition for a short while."

AFTER THAT he played only semi-pro ball and that sparingly, yet the beaning had its compensation. "When I awoke in the hospital, my wife was standing over me. I didn't know it at the time, of course." Gloria Good was a nurse who cared for Joe while he was laid up. They were married in March, 1950, and have three children. Kathleen, 14, will enter Marin Catholic High School in September, while 12-year-old twins Cheryl and Christine attend Blessed Sacrament School in Santa Venetia.

After he and Gloria were married, Joe says, "we decided that since I had given pro ball four years and knew I wasn't going to make the majors (as a first baseman), I should give some thought to steady employment. I began working for Wobber's Stationery in San Francisco and I was with them from 1950 through 1960 when they folded. Since then I've been employed by Kielty and Dayton Stationers in San Francisco as a retail salesman."

BASEBALL DODESN'T drain out of a man's head when his reflexes go, however, and Joe became interested in youth ball. "I managed CYO ball in San Francisco, including the state finalists in 1955. In 1959 I started managing for Josh Billings and Ed Hutchison in the Pony Colt League in San Rafael with boys 15-17 years old. We finished second in 1959 and first the next two years.

"In 1962 we finished second in the Marin Summer Semi-pro League with many boys from the Colt League club. It was a young, inexperienced team. The next year and last year we finished first. We are presently leading the Bay Area Invitational League with a 3-0 mark."

SOME OF the players on that 1962 team are now playing college ball. First baseman Dick Schultze is at San Francisco State, centerfielder Jerry Daniele at Arizona State and pitcher Jack Sovereign at Oregon. All three were standouts with B-H.

"The highlight of our club's history," Anselmo says, "was winning the 1963 San Rafael Invitational Tournament, for which we were the host team. After losing the first game we won eight games in six days using only two pitchers, Bob DeRosa and ex-Cleveland pitcher Jerry Walters.

"I CAN'T say enough about DeRosa. He pitched us into the finals Saturday night after working Thursday in relief. Sunday night Walters pitched both ends of a doubleheader, allowing a grand total of five hits, four in the first game and one in the second. Both were nine-inning games.

"Our battle cry was 'There is no tomorrow' and that remains our modus operandi.

"We played that tournament with 15 players and five were injured in the first game." That was bad enough, but Anselmo's biggest scare came after the tournament ended.

"IN THE eighth inning of the last game, Bob Joyce dove to make a catch in the outfield, and without realilzing it ruptured his spleen. He led off the next inning with a single and stole second, sliding. He scored the winning run on another hit.

"At the team banquet that night, Bob came up to me and said: 'Joe, I'm not feeling too well and I'd like to go to a hospital.' He was in surgery for over four hours and lost over one-half the blood in his body. The whole ball club stayed there at the hospital while he was in surgery. I was there with his father, Bob Joyce, the former professional player, and we swapped baseball stories and waited until his son was out at 3 a.m."

THE VIGIL at the hospital for Joyce, a near 7-foot giant who is in law school at UCLA and still plays for the Builders, typifies the spirit on the team, Anselmo says proudly. "The friendship on this club goes beyond the baseball field. We have our yearly picnic and the wives and children are an important part of the team. There are 45 children on our club."

The veteran on the team with the most pro experience is second baseman Jess Jacinto, who played 11 years in O.B. and reached Triple-A ball. Outfielder Doug Wilson played four years in the Giant organization to Class A ball; flychaser Vince Pallavicini had three years with Detroit and the Mets, reaching Class A, and shortstop Ron Blum got to the AA level playing for the Pirate and Cub chains. Outfielder Ernie DeMattei also had a year of pro ball.

TWO OF the stars on the team, DeRosa and catcher Jess Munyon, had no pro experience. Munyon was all-state high school football and baseball star in Oregon before joining the Builders four years ago. He played last year with the Mill Valley Merchants before returning to B-H. DeRosa has lost just two games in three years.

Their savvy makes the Builders a tough club to beat. Young pitcher Larry Calof, who played for MIT and now attends Stanford where he will play next spring, says, "Top college ball may be a bit better, but these guys know a lot more." The level of competition the Builders play is indicated by the fact that the Alameda league they played in in 1963 included Frank Robinson and Vada Pinson of the Cincinnati Reds. B-H finished second to Milens in that league.

ANSELMO IS one of three scouts the Houston Astros have in the Bay Area. The first player he signed for them was a participant in the San Rafael tourney, Walt Williams, who was purchased from the Houston organization by St. Louis after hitting .365 for Modesto in 1963. He hit .325 last year for Winnipeg and is rapping .347 for Tulsa of the Texas League this season. "He could be called up at any time to fill the Cardinals' right filed position," Anselmo says, "because everyone (Card manager Red) Schoendienst has played there has proved wanting."

Joe signed Ron Cole of Mill Valley, formerly of Tam High and Marin Junior College, and Cole is now 3-0 with Durham of the Carolina League. "This boy should make it. He has all the natural ability and tremendous desire, and the two are tough to beat."

"I ALSO signed Jerry Ard of Drake High, now playing shortstop for Cocoa Beach in the Florida State League. Jerry's gotten off to a slow start but he has all the tools. More recently I signed Steve Miller of Drake, righthanded pitcher at Cocoa Beach with a 2-5 mark and a 1.94 earned run average. He's well on his way to the Astrodome and he won't see it from the stands when he gets there.

"We also just signed Ken Chelini from Galileo High School. He left last Monday for Bradenton, Fla., for re-assignment to a minor league team."

OBVIOUSLY, Mr. Anselmo is a very busy man. Yet, as one new observer of the Builders said after watching Joe prepare his team for their game (a 6-1 victory) with the tough Benedetti club of San Francisco last Saturday, "he's a friendly guy, isn't he?"

That he is, the sort who reflects credit on any profession.

Miss Wright Withdraws

NORTHFIELD, N.J. (AP) — Defending champion Mickey Wright abruptly withdrew today on the eve of the opening of the Women's National Open Golf Championship. She complained of a sore left hand.

"The hand has been bothering me for some time, but I had hoped I would be able to play," the statuesque 30-year-old all-time leading money winner among the ladies said after hitting a few practice shots.

She dumped her golf clubs in an automobile and headed for her home in Dallas.

There will be no replacement for the champion in the field of 85, including 46 pros and 39 amateurs who will tee off in the first round of the 72-hole medal play tournament tomorrow.

MARIN'S PRO PLAYERS HAVE A DISMAL WEEK

Independent-Journal Sports
22 June 30, 1965

It was a pretty dismal week for professional baseballers from Marin County, according to the latest report from Player Periscope of Novato.

John Boccabella of San Anselmo, first baseman for Fort Worth of the Texas League, got only 6 hits in 39 at bats for the week to drop his average 18 points to .249. His only extra base hit of the week was a double.

On the season, he has 61 hits in 245 at bats, including 10 homers, 2 triples and 15 doubles. He has 45 runs batted in and has scored 34.

Gerry Ard of Fairfax, shortstop for Cocoa of the Florida State Rookie League, appeared at the plate only twice and went hitless. His mark is now a lowly .115 (3 for 26).

Gino Cimoli of Tiburon, outfielder for Spokane, Los Angeles Dodgers farm club in the triple-A Pacific Coast League, had 3 hits in 12 trips to the plate in the last reported week. He now has 24 for 100, a .240 mark. He has 3 doubles, 7 RBI and 9 runs.

Steve Miller of San Anselmo, righthander for Cocoa and teammate of Ard, pitched five innings of one game and came out with a loss after allowing 2 hits and 7 walks. He struck out 2 and evened out his strikeout record at one per inning with 62 whiffs in a like number of innings. Although his earned run average is a fine 2.03, he has a record of 2 wins and 6 losses. Control problems have caused the youngster to walk a total of 56 batters.

Ron Cole of Mill Valley, righthander with Durham, N.C. of the Carolina League, saw no action for the last reported week.

ALL-STAR GRID PLANS SHAPING UP

Tickets will go on sale at various Marin County business establishments late this week for the first Marin All-Star Football Game, matching players just graduated from North and South Marin high schools at College of Marin stadium at 8 p.m. Aug. 28.

The game is sponsored by the Ross Valley Kiwanis Club and proceeds will go to Kiwanis charities. It will be preceded by a pageant of drill teams and bands at 7 p.m.

The 24 players on the North team will be from Terra Linda, San Rafael, Novato and Tomales high schools and the San Rafael Military Academy. They will be coached by Terra Linda head coach Pete Limm and Novato mentor Marlin Olsen.

The southern players are from Tamalpais, Marin Catholic, Redwood and Marin County Athletic League champion Drake high schools. Drake coach Bob Franceschini and Redwood assistant Al Endriss will pilot the South.

The teams will hold an organization meeting Aug. 15, the North at Terra Linda and the South at Drake. The next day they will hold their initial practice sessions.

Athletic Director Bob Troppmann of Redwood is managing director of the game, which he expects to become an annual affair. Hoping for a capacity crowd, Tropp heads a staff for the game which includes Ralph Petersen, treasurer; Jack Cammiccia, concessions chairman; Mac Cordone, ticket manager; Ken MacDonald and Sanford McLaughlin, pageant directors; Murray Shrock, gateman; Arvid Ericksen, publicist; Charles Monti, programs, and Marty Hanzlik, banquet chairman.

Redwood basketball coach and veteran official Dick Hart is in charge of officials and Dave Scofield, longtime public address announcer at the San Francisco 49er games, will perform that chore.

Admission charge for adults will be two dollars, one dollar for students and 50 cents for children.

Surf Board's Owner Injured On Highway

Army S/Sgt. Eldon E. Ewing, stationed at the Presidio of San Francisco, tried to run across Highway 101 at 11:30 a.m. yesterday to pick up the surf board which had blown from his car.

Today he was in "satisfactory" condition at Letterman General Hospital with a broken right leg, cuts and bruises suffered when he was hit by a car.

Ewing, 37, and his family were driving north on the highway near Spencer Avenue above Sausalito when the surf board blew off their car and into southbound lanes.

Ewing stopped to retrieve the board and was standing in the center roadway divider when he saw a car stop and someone begin to load the surfboard into it.

Ewing made a dash to save the board and was hit by a car coming around a curve, driven by Norma J. Wiswell, 40, of Sunnyvale, highway patrolmen reported.

Ewing was thrown 60 feet by the impact.

The surfboard was recovered; the car that stopped for it got away.

Use Sewing Scraps For Costume Trim

Throw away only the tiny bits of sewing scraps until after your garment is finished, suggests the sewing machine division of the Japan Light Machinery Information Bureau.

You may want to use the larger pieces for making accessories like a purse, a headband, trim for a sweater, hat or blouse. These extra pieces of fabric, properly used, can convert a garment into a costume at no extra cost.

The Rev. Charles J. Farrell officiated for the noon ceremony.

The bride is the daughter of Mrs. Neta Wilson of Novato and William Fann of Broken Bow, Neb.

Given in marriage by her godfather, Alphonse J. Chamberland of Novato, the bride wore a gown of white rose point lace.

Joe Calaveras served the bridegroom as best man and ushering were Mike West of Novato and William P. Brust Jr. of San Francisco, the bridegroom's brother.

A reception followed the ceremony at the bride's home in Novato.

The bride was graduated from Sir Francis Drake High School.

The bridegroom, son of Mr. and Mrs. William Brust of Novato, was graduated from San Rafael High School. He is also the brother of Mrs. Richard Eyler of Novato, Robert Brust of San Francisco and William Brust of Novato.

The couple will reside in Novato.

Only Wealthy Ate Raisins In Rome

The Romans at the height of their power were fond of sweet raisins, historians report. The sweet dried grapes were reserved almost exclusively for the wealthy.

It was a rare occasion when a slave ate raisins. The act of eating a necklace of raisins was the dramatic gesture of freedom from slavery.

Civic Center Power Plant Due Hearing

A power plant to produce electricity needed to light the Civic Center administration building and the proposed Hall of Justice will be considered by the Marin County Board of Supervisors July 12.

That is when they are to take up a report from Stannard and Co., engineers of San Rafael.

In his report to the board, James H. Stannard Jr. says the county could save $20,000 a year in the electrical bill. Heat discharged from the three gas turbines could also be recovered and the energy used to heat or cool the buildings.

Stannard lists several alternate power plants, the cheapest starting at an investment of $135,000. He says the board might want to consider a separate plant that could serve the proposed memorial auditorium as well as the administration building and Hall of Justice.

If the board should decide on this larger proposal, Stannard says, the decision on the Hall of Justice plant could be deferred. It could be hooked up to the power plant later.

Ground Broken For New Library

Mayor Michael Worum swung the first pick and then the first shovel to break ground in Old Mill Park yesterday for the new Mill Valley Public Library. About 50 persons attended.

"I would like to see a sign saying 'This library built by everybody for everybody'," said Worum, who told of the long struggle to get a new library. "It will be an asset not only to the city but to the park."

Mrs. John P. Farnham, library board president, and Paul Rosenthal, head of a citizens committee for the new library, spoke briefly.

Little World Asked For Angel Island

Angel Island should be developed into "a miniature world," as a monument to international friendship and understanding, according to Creative Thinking Inc. of San Francisco.

An international cultural, religious, artistic and recreational center could be created on the island, reported Muriel H. Alstrom of Fairfax, founder and director of Creative Thinking Inc.

The organization suggested that a parcel of land on the island be set aside for each nation, which can construct and staff a building, at its own expense, in the architecture of the country.

In these buildings, there could be displays of the culture, religion, history, music or economic features of each country.

"The purpose would be to acquaint other nations with the activities of each country and would be a miniature portrayal of the country itself," the group reported.

It also was proposed that an area of the island be set aside for national dances, games, sports and other recreational activities of each country.

Atop the island there would be an international temple with a spired dome containing an ever-burning light, as a symbol "of the light of understanding which links the people of the world together in peace and goodwill."

Creative Thinking Inc. said the project also would:

1. Provide employment for many in construction and maintenance work.

2. Create permanent employment in the Bay Area and stimulate business in Marin County.

3. Provide one of the top tourist attractions in the world.

4. Re-establish ferry boats from San Francisco to Angel Island.

5. Permit visitors to see in one spot, a sample of countries they might not otherwise be able to visit.

6. Stimulate commercial and tourist traffic to San Francisco.

7. Promote world unity through understanding.

The Angel Island project proposal was presented to every delegate from the 114 countries represented at the United Nations anniversary celebration in San Francisco last week, Mrs. Alstrom said.

"On the eastern coast of the United States, the Statue of Liberty stands welcoming each newcomer with an invitation to freedom and justice," Mrs. Alstrom said. "On the western coast of this same United States, Angel Island can become the symbol of the fulfillment of this dream."

Novato Attorney On Demo Committee

Joseph A. Forest of 342 McClay Road, Novato, has been appointed to the State Democratic Central Committee, according to Vera L. Schultz of Mill Valley, who made the appointment.

Forest, an attorney, is president of the Novato Democratic Club.

Stove Taken From Apartment

Loss of a $400 stove from an unoccupied agartment house at 2081 Paradise Drive in Tiburon was reported yesterday by sheriff's officers.

George A. Clazie, of Alameda said the building was entered during the weekend by prying a garage window.

Eugene E. Tucker, 490 Green Glen Way, Tamalpais Valley, said a right front window of his car was pried and about $200 worth of tools stolen from the vehicle.

Anna Henrietta Putman, San Francisco, said two radios and a saw were taken from her unlocked summer home at 6 Thomas Drive, Alto, during the past few days.

38 Strep Infections Lead Disease List

Thirty-eight cases of streptococcic infections headed the list of communicable diseases reported in Marin County last week.

Also reported by Dr. Carolyn B. Albrecht, health officer, were six cases of gonorrhea, and one each of hepatitis viral, tuberculosis, salmonella and infectious hepatitis.

If you're frustrated by spots from grease and heavy soil that you can't get out of your husband's clothes, try adding a packet of FAMILY TREE SOIL REMOVER to the wash. Perfect for spots that laundry soaps and detergents leave alone.

Gas Signup Deadline Is In 1966

Residents of the San Geronimo Valley must sign up by Jan. 7, 1966, not a year later, if they want natural gas service.

A story in Thursday's Independent-Journal erroneously stated that 640 customers must sign up by Jan. 7, 1967, before Pacific Gas and Electric Co. will extend gas service to the valley. The incorrect date then appeared in an editorial in Monday's paper.

Also in error in the Thursday story was a statement that each customer's $50 deposit "will be returned through bill reduction when service starts."

Lawrence P. Biancalana, PG&E's San Rafael sales supervisor, said the entire deposit will be returned as soon as gas goes on in each home.

The California Public Utilities Commission last week gave PG&E permission to impose these requirements, as well as to ask for a written agreement from each customer that he will take gas for at least three years. The agreements would be signed when service was installed.

Officials of the utility firm told the commission last week they would have to spend $566,000 and install 23 miles of main. PG&E expects a return of 3.7 per cent on its investment in three years.

Santa Barbara was named for St. Barbara, guardian saint against tempest and fire, also protectress of artillery-men and miners. Name was first given to the passage between the mainland and the Channel Islands by Vizcaino, navigator, on Dec. 4, 1802, the feast day of Saint Barbara. Mission Santa Barbara is located here.

The first record of a shoemaker in America can be traced back to 1692. The first shoemaker's name was Thomas Baird, or Beard. He arrived in Salem, Mass., in 1629, and was engaged by the Massachusetts Bay Company to make shoes for the colonists.

2500 BRIDGEWAY AT SAUSALITO!

ACROSS FROM THE AMERICAN DISTILLERIES!

This Is Richardson Bay School In Action

PIANO DUET—Music students Susie Battle(left) and Judy Tillett join together for a practice session at the keyboard at the spare room at Richardson Bay School in Sausalito.

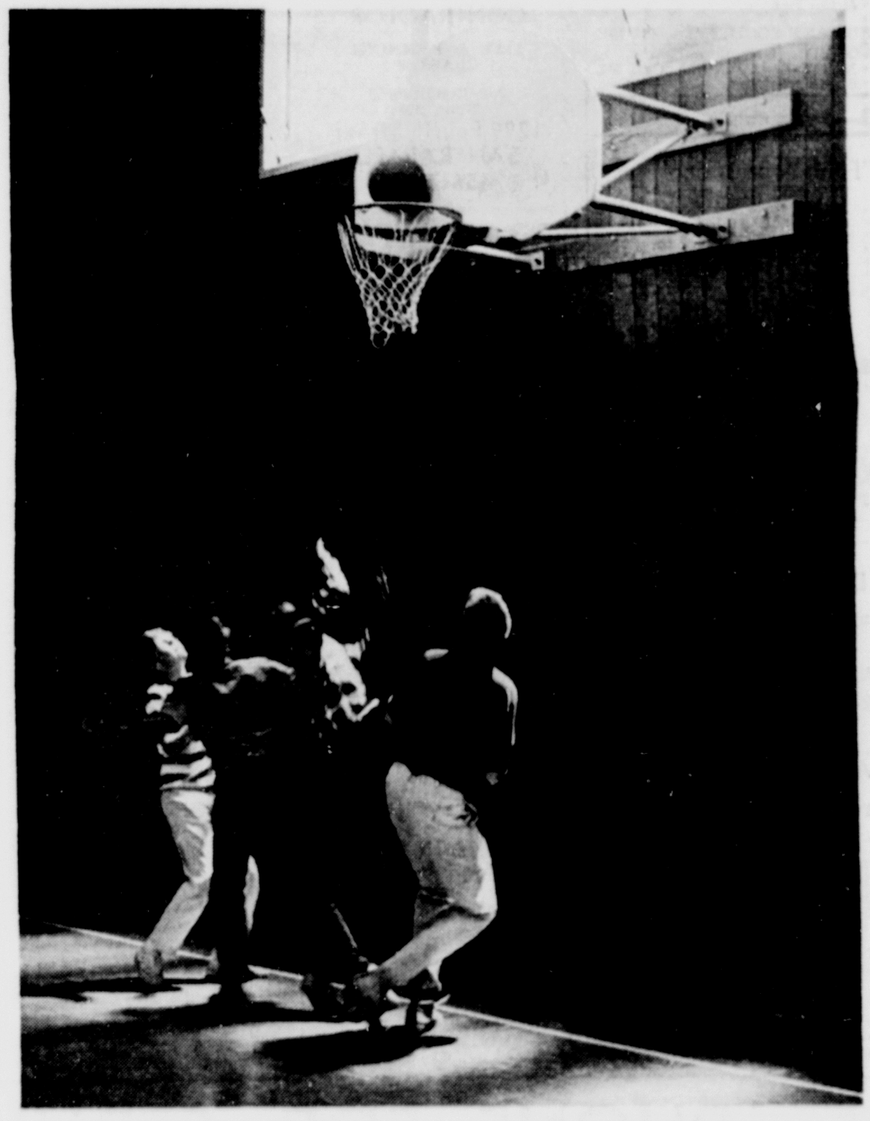
LUNCH TIME—Students are having a few laughs with their counselor during a hot lunch at the school cafeteria, which is available to all students for 30 cents. From left are Carmon Duncan, counselor Lynn Walleen, Martha Session and Barbara Wakefield. (Photos by Rondal Partridge)

Mill Valley Pupils Can Integrate

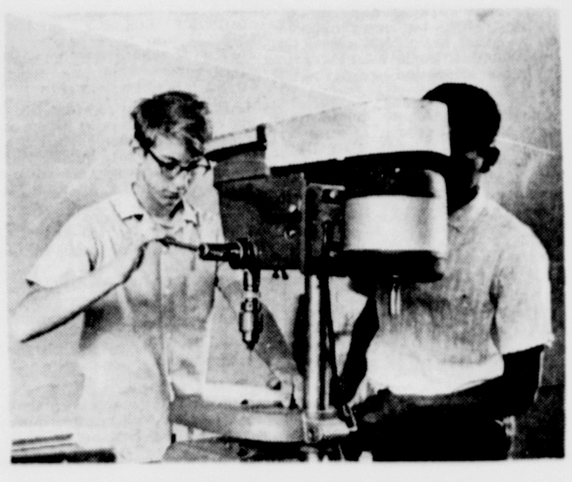
The Mill Valley School District board has approved the transfer of pupils to Sausalito's Richardson Bay School on a voluntary basis, and parents have shown an interest in the plan.

As a result the Mill Valley district's community relations committee had photographer Rondal Partridge takes a series of candid photos at Richardson Bay School so that Mill Valley parents could get a view of the activities and equipment at the school.

The 11 photos taken by Partridge will be available for display at schools throughout the Mill Valley District. Eight of them are shown on this page.



WHAT IS IT?—Students scrutinize the skeleton of a cat as part of their studies in Leo Dauenhauer's seventh grade class. From left are Alvin Bynum, Elliott Hardy and Tommy Schultz.



SHOP EQUIPMENT—Alan Katz (left) and Ernest Clark work on a drill press at the school. There is a home economics classroom for girls equipped with four full kitchens and a sewing center.

OUTDOOR PLAYTIME — Students cavort on the playground equipment at the school, which has five tennis courts on the grounds.

POETRY RECORDING—Gloria Alee and teacher Mrs. Margaret Moore join together during a seventh grade poetry recording session at the school.

CLASSROOM ACTION — Student Vernon Bynum raises his hand in Mrs. Jean McCabe's sixth grade class. Also seen are Betsy Hodson left) and Cameron Duncan (right).

FAST ACTION — A group of students participate in a pickup game of basketball at the school gymnasium and all eyes are on the ball which appears to be on its way through the hoop.

Recipe For Glamour

Take one large lot on a Mill Valley hillside, add a view of green valleys and golden hills. Let sit for several years to mature. Then add a well-built 3 bedroom house with a fetching entry courtyard, place rich paneling in the living room, the dining room AND the kitchen. As a base use one large studio-workroom the full length of the upper layer. For garnish, add gold leaf, stained glass, Austrian shades, stone lions, dramatic planters to taste. You'll find this an economical dish costing only $36,000 at

Public Changes Attitudes On Abortion Law

By CHARLES SCHAEFFER
Advance News Service

NEW YORK — Medical researchers report evidence they say shows the American public is ready for more realistic and liberal abortion laws.

The evidence is a major trend toward "psychiatric" rather than medical reasons, as the accepted explanation for therapeutic abortions.

While most state laws permit abortion only to save the mother's life, there is growing approval of the idea of abortion to preserve her 'sanity," says Drs. Kenneth R. Niswander and Morton Kline of Buffalo, N.Y.

They based their conclusion on studies at two Buffalo hospitals, which show a steady, two-decade upswing in therapeutic abortions performed for psychiatric reasons among young, middle-aged and well-heeled married and unmarried women.

"Since there is no reliable evidence that women in these categories are more likely to be mentally ill, it would seem that social factors, rather than mental ills, account for the prevalence of abortion in these instances," they told the American Medical Association.

A majority of doctors still shy away from abortion discussions with patients.

"There is growing evidence, however, that increasing numbers of physicians go beyond the limit of the law in order to relieve human suffering, and that their personal interpretation of the requirements for therapeutic abortion is approved by a large portion of the public," they said.

The changing pattern was traced from the record of 504 patients between 1943 and 1964. A striking difference, they noted, was the increase in therapeutic abortion among girls under 20 years. They accounted for 14.7 per cent of the cases between 1960 and 1964, while no girls of this age was aborted between 1943 and 1949.

Overall, mental reasons were more frequently cited in therapeutic abortions — from 13 per cent in 1943 to 87.5 per cent in 1963. The 1964 percentage slumped because of an offsetting increase of true medical abortions in the wake of the epidemic of baby deforming German measles.

Since 1958, tuberculosis has not been given as a reason for abortion and heart disease accounted just for 1 per cent in 1960.

Of the three major religious groups represented, four out of 10 Catholic women gave general medical reasons for abortions while more than three out of every four abortion of Jewish women were for a "psychic reason," the doctors said. For Protestant patients, medical reasons were given about one-third of the time.

HOW TO KEEP WELL

By DR. THEODORE R. VAN DELLEN

Warm Weather Increases Risk Of Athlete's Foot Problems

VAN DELLEN

Athlete's foot (Tinea pedis) is caused by a fungus that looks like the branches of a tree when viewed under the microscope. This critter, like mold on food, grows in warm moist, poorly-ventilated places and prefers to set up housekeeping between the toes, especially on feet that stay damp with perspiration.

Many have these fungi on their feet but are not bothered unless the organisms multiply. A person may have minimal trouble at this time of the year until he takes a five-mile walk or a long automobile ride with his feet against the warm floor. Either is enough to encourage growth and development of ringworm.

The first sign is itching followed by blisters that break, leaving scales. The moisture makes the skin soggy and macerated; a characteristic odor may be noted. Progression of the disease leads to larger blisters, raw spots, swelling, and redness.

TREATMENT FOR fungal infections of the feet are legion. It is essential to keep the feet dry and occasionally this is all that is needed. There are many powders containing anti-fungal products that are helpful. A new organic cellulose powder made from the core of maize is reported to be highly absorbent.

Organic acids, such as undecylenic, caprylic, and propionic, are popular remedies. Criseofulvin, the oral anti-fungal agent introduced in 1949, revolutionized the treatment of ringworm elsewhere in the body, but is less efficient on lesions between the toes and on the nails. The product inhibits the growth but does not kill the organism. This is why it must be used over a long period of time and preferably with one of the other fungicides, such as undecylenic acid, potassium permanganate solution, and products that reduce sweating or absorb moisture. Tinactin is a new solution that is said to cure athlete's foot.

ALL SCALY SKIN eruptions are not wingworm. Be sure of the diagnosis before starting any treatment. In addition, do not use anything that is too strong, because reaction to vigorous treatment can be disabling.

(Dr. Van Dellen will answer questions on medical topics by mail if stamped, self-addressed envelope accompanies request.)

TANS EASILY

E. A. writes: My work requires that I spend much time out of doors. My olive skin tans very easily and I am eager to learn what can be done to prevent tanning.

REPLY

Wear a wide brim hat and clothes that cover most of the body. There are many sun screening ointments, creams, and sprays that protect the skin from ultraviolet rays.

COINCIDENCE

L. H. writes: Do you think it is just a coincidence, that when I drink a liquid in which a grapefruit (pulp and rind) has been boiled, my arthritic hands cease to ache, or have I found a simple remedy for the relief of arthritis?

REPLY

Yes, for you only. This is an old remedy that helps occasionally.

EXHAUSTION AFTER SHINGLES

E. B. writes: what causes shingles and why does the person have such a lengthy period of exhaustion following this condition?

REPLY

Fatigue is a common aftermath of many viral infections, including shingles.

VEIN DECAY

K. L. writes: Do repeated transfusions cause the veins to decay?

REPLY

No, but the holes produced by the needles may lead to scar formation. In addition, repeated irritation may cause the blood to clot within the vein.

Court Verdicts Spell Woe To Union Anti-Trust Status

By MORTON A. REICHEK
Advance News Service

WASHINGTON — Organized labor may have won the skirmish, but has apparently lost the war.

This is one assessment being made of two important Supreme Court decisions handed down June 7 on labor's status under the anti-trust laws.

The decisions were made in two cases which represented the most serious anti-trust attacks on union activities to be brought to the Supreme Court in decades. Through favorable congressional legislation and past court decisions, trade unions have enjoyed almost total immunity up to now from prosecution on anti-trust charges.

In both cases, the court ruled that trade unions do not have a blanket exemption from anti-trust laws. The labor organizations had urgently sought such exemption.

But even though the Supreme Court rejected the exemption plea, it reversed lower-court rulings against the unions in both cases on narrow grounds.

In one case, a jury in a federal district court had found that high wage levels and welfare fund royalty payments in the soft coal industry were aimed at driving smaller mines out of business.

The United Mine Workers and major coal producers engaged in a conspiracy to violate the enti-trust laws, the jury held, awarding a small mine operator, Phillips Bros. Coal Co. of Tennessee, $270,000 in damages.

In reviewing the coal case, the Supreme Court said the union forfeited its exemption if it agreed with one group of employers to impose wage rates on other employers.

But though it accepted the lower court's interpretation of the anti-trust issue, the Supreme Court ordered a new trial on the grounds of procedural errors by the lower court. It said that if it could be proved that the union and the mine operators agreed to set uniform labor standards throughout the industry this would constitute an anti-trust violation.

In the other case, Jewel Tea Co., Inc. had successfully attacked in the lower court a labor agreement between the Amalgamated Meat Cutters Union and a Trade Assn. of Chicago Retailers. The contract limits the hours stores can remain open by barring sales of meat products before 9 a.m. and after 6 p.m.

A federal appeals court had upheld Jewel's contention that the agreement was an illegal restraint of trade.

The Supreme Court, however, reversed the ruling. It decided that a union can negotiate restrictions on the hours in which an employer's product can be sold.

But the Supreme Court rejected the union's plea for a broad anti-trust exemption protecting all collective bargaining on "terms or conditions of employment."

Boiled down to the essentials, the two new decisions still leave open to question the exact extent unions are exempt from anti-trust laws. The court implied that every case must be decided on its own merits.

Nevertheless, the two decisions water down the virtual immunity the unions have had.

Computer Built By Students To Be At Fair

An electronic digital computer, designed and built for four College of Marin students, will be one of the college's exhibits at the Marin Art and Garden Fair, which opens tomorrow.

The computer is the semester project of students enrolled in a special "projects for electronics" course. It is mounted in a blue metal case, 12 inches square, with all components viewable under a glass top.

Rod Rovai and Marshall Scott of Novato designed and built the clock, the logic circuits and the power supply. The counting circuits and the etched circuit boards are the work of George Schrader of Fairfax. Jon Weers of Novato arranged the numbering to read out upon an electronic impulse.

Will Cardinal Take Advice?

HINGHAM, Mass. (UPI) — Richard Cardinal Cushing says all bishops should retire at 70.

And, he added with a chuckle yesterday: "On Aug. 24 I'll be 70."

He gave no indication of retiring.

TELEVISION REVIEW

Rock Music Means Bread And Butter

By RICK DU BROW

HOLLYWOOD (UPI)—In the good old summertime, the networks call on Barry Shear because it is less risky to gamble with experimentation in the off-season.

This past Monday night, for CBS-TV, he produced and directed a 90-minute rock 'n' roll show, "It's What's Happening, Baby!", in which the U.S. Office of Economic Opportunity had a hand with advice for dropouts and youngsters looking for jobs.

Several summer seasons back, for NBC-TV, he turned out a bright, tasteful, exciting series called "The Lively Ones," with topflight musical talent performing at unique locations.

Last summer, for ABC-TV, he guided a tryout for what was later to be the late-night Les Crane show (now "ABC's Nightlife"), and the one-week experiment was generally so successful that NBC-TV at the time was frankly worried about the potential competition for Johnny Carson.

However, ABC-TV almost immediately put the successful Shear ideas at a distance, hired a series of generally uninspired fellows to follow all the well-beaten paths, and of course the program has been on the verge of ratings—and quality—extinction ever since.

Shear is an interesting example of some of the bright young music- and -live - entertainment specialists who, with a background of pretty tasteful work, now have to come to terms with today's dominant rock music. For himself, he acquired a reputation with the Edie Adams specials and has had a flock of Emmy nominations. Furthermore, like others with mouths to feed, he has had his bread-and-butter chores that can be turned out almost blindfolded—in his case, for example, the Donna Reed and "Valentine's Day" series, for which he directed.

But what happens if you want to stay primarily with your music shows, and the trend in television is toward rock — and it's the same thing in movies except for the few class musicals that usually, and naturally, go to the older-line directors? I know one conductor who formerly sold countless good albums and now can't get one recorded.

What is happening, in some cases with movie writers—it is reported on good authority — is that there is a sort of voluntary blacklisting by some pros who know where the money is, have to eat, but ask to have their real names kept off the credits of rock films.

The rock 'n' roll domination in television and elsewhere is awesome, and depressing in terms of taste. It is not a matter of immorality or snobbish thinking. The rock advocates give you the usual nonsense argument that when this adult generation was young, there was objection to swing music. But the swing and earlier jazz eras were peopled with acknowledged and important jazz musicians who made contributions while there are hardly any participating in the current pap.

Emmy Nominations Are Announced

By BOB THOMAS

HOLLYWOOD (AP)—The Television Academy announced its newly streamlined nominations for Emmies today, presenting for awards such figures as Barbra Streisand, Red Skelton, Alfred Lunt, Lynn Fontanne, Johnny Carson and Leonard Bernstein.

Long criticized for the multiplicity of its awards, the Academy introduced a new system for its 1964-65 Emmies, which will be presented Sept. 12. Instead of numerous categories, nominations are lumped into two large groups of programs and performers. One or more Emmies may be presented in the groups; the standard is excellence, not competition, said the Academy.

Nominated for "Outstanding Individual Achievements in Entertainment":

Alfred Lunt, "The Magnificent Yankee"; Barbra Streisand, "My Name is Barbra"; Bob Hope Specials; Danny Kaye, Danny Kaye Show; David McCallum, "The Man from U.N.C.L.E."; Dean Jagger, "Mr. Novak"; Dick Van Dyke, The Dick Van Dyke Show; Gladys Cooper, "The Rogues"; Johnny Carson, "Tonight Show"; Julie Andrews, Andy Williams Show; Julie Harris, "The Holy Terror"; Leonard Bernstein, New York Philharmonic Young People's Concert; Lynn Fontanne, "The Magnificent Yankee"; Red Skelton, The Red Skelton Show; Richard Crenna, "Slattery's People"; Robert Coote, "The Rogues."

(New York Philharmonic Young People's Concert); "Wonderful World of Burlesque," Danny Thomas special; Xerox Specials on United Nations.

Other nominatiois included:

Outstanding program achievements in news, documentaries, information and sports—NBC's convention coverage; "I Leonardo Da Vinci," Saga of Western Man; "My Childhood," Biographies; "The Decision to Drop the Bomb," NBC White Paper; "The Louvre."

Outstanding performers in news, documentaries, information and sports—Charles Boyer, "The Louvre"; Richard Basehart, "Let My People Go."

Outstanding directors—Dwight Hemion, "My Name is Barbra"; George Schaefer, "The Magnificent Yankee"; Paul Bogart, "The 700-year-old Gang" on "The Defenders."

"The Magnificent Yankee," based on the life of Oliver Wendell Holmes Jr., scored the highest number of nominations—nine. "My Name is Barbra," Miss Streisand's debut as a star of a special, was named for six awards.

Couple Ask $350,000 In Boat Blast

A San Jose couple, injured when their newly purchased 27-foot cruiser exploded and burned at Loch Lomond Marina last Aug. 16, filed a $350,000 damage suit in Marin Superior Court.

W. Roy Gill and his wife, Rosemary, allege faulty manufacture and assembly of the craft, which they purchased only two days earlier.

Defendants are Ski Craft Co., 630 Point San Pedro Road; Loch Lomond Marina, same address; Tollycraft Corp.; Continental Motors Corp. and its Gray Marine engine division; Robert H. Wilson, R. I. Copenhagen, Harold F. McGinnis, Robert McCarthy and William Zowasky.

Gill, 51, seeks $300,000 general damages for burn injuries he alleges may be permanent. His wife, 48, asks $50,000.

The couple, with Mr. and Mrs. Donald Baggs of San Jose aboard, had stopped at the marina on the first leg of a voyage into the San Joaquin Delta. Mr. and Mrs. Baggs escaped injury.

Witnesses said Gill pushed the boat's starter button, which triggered the blast as a spark apparently ignited fumes from the bilge.

Marmalade Glaze 'Colors The Bird'

Barbecued duck is delicious . . . and the cooking process has been made easier via a heat-control technique introduced by Julius E. Kramer, Philadelphia, in the finals of America's Cook-out Championships recently in Hawaii.

Plaqued by melting fat falling on hot coals and creating too much flame, Kramer solved the problem by placing a protective sheet or quilted foil between duck and fire.

In the national barbecue competition "for men only," Kramer devised a marmalade glaze to flavor and color his bird and further enhance it with a meat and bread crumb stuffing.

The duck takes an hour to cook — 30 minutes on each side. In preparation, only three inches separates the bird from the source of heat.

BARBECUED DUCK WITH MARMALADE GLAZE
(Makes Four Servings)

1 ready-to-cook duckling, about 4 lbs., cut in quarters
½ cup salad oil
1 teaspoon basil
1 small onion, finely chopped
¾ cup chopped celery
2 tablespoons butter of margarine.
¾ cup dry bread crumbs
½ cup bulk sausage
½ cup lean ground beef
1 egg, beaten
½ cup chicken stock
Quilted heavy-duty foil.

Line firebox with quilted foil; let coals burn down until covered with gray ashes.

Coat duckling with mixture of oil, marmalade and basil. Place sheet of quilted foil on grill; place duck, skin side up, on foil. Grill 3 inches from coals for 30 minutes.

Cook onion and celery in butter until lightly browned. Add bread crumbs, sausage, beef, egg and chicken stock; mix well. Turn duckling pieces skin down and fill cavities with stuffing. Continue grilling for 30 minutes, longer, or until done.

Cook Sweetbreads Soon After Buying

Sweetbreads may be braised or fried without precooking: however, the membrane must first be removed. If they're going to be used in a salad or creamed with ham or veal, do precook them to make them firm as well as to keep them white.

When they're not used immediately after purchasing, precook them also. This variety meat is very delicate and highly perishable. Precooking increases the keeping quality slightly.

Perfect Menu For Summer Board Picnic

The menu is old, but each item is new in this plan for a California Bread Board picnic.

Menu
California Picnic Ham
Rye or other Bread
Cheese-Butter
Slaw-Filled Tomatoes
California Wine or Wine Cooler

The traditional baked ham is glazed with Sherry and apricot-pineapple jam; the Cheese-Butter spread is a mixture of grated cheese and butter that is easier to spread than either one alone; the cabbage slaw served in hollowed-out tomatoes is flavored with a Sauterne dressing.

Best of all, the beverage is a wine red, white or Rose, as your taste dictates. It is customary to chill dry white or Rose wines before serving, but on a warm day, even the reds will seem more refreshing if they are cooler than usual. Refrigerate the wines for several hours. Then wrap them in many layers of newspapers, and if possible carry them in an insulated bag to the picnic site.

To make serving easy, assemble all the food on a good large bread board, and be sure to pack a sharp knife for slicing the ham.

CALIFORNIA PICNIC HAM
(Serves 10 to 12)

1 (3- to 5-pound) canned cooked ham
1 cup sherry or port
1 cup apricot-pineapple jam or red currant jelly
1 teaspoon dry mustard

Turn ham into a small baking pan; pour on ½ cup wine. Bake in a moderate oven (350 degrees F.) for 20 minutes; baste often with pan juices. Blend remaining wine, jam or jelly and mustard together. Spoon over ham. Continue baking until ham is hot and tender, about 45 minutes, basting frequently with pan-glaze. Remove from oven and cool; spoon pan-glaze over ham frequently while cooling.

SLAW-FILLED TOMATOES
(Serves 4)

4 large firm tomatoes, chilled
3 cups finely shredded crisp cabbage
½ cup grated carrot
¾ cup Sauterne Dressing

Rinse tomatoes; cut thin slice from top of each removing stem ends. Hollow tomatoes leaving about ½ inch rim. Turn upside down to drain. Combine cabbage, carrot and dressing. Spoon into tomato shells.

SAUTERNE DRESSING
(Makes 1¾ cups)

2 tablespoons flour
2 tablespoons sugar
3 tablespoons salad oil
1 tablespoon seasoned salt
1 tablespoon dry mustard
½ cup Sauterne, Chablis or other white dinner wine
½ cup water
⅓ cup wine vinegar
2 eggs, lightly beaten

Thoroughly combine flour, sugar, oil, salt, mustard, wine and water in top of double boiler. Cook and stir over boiling water until mixture thickens. Combine vinegar and beaten eggs; stir in about ½ cup of the hot sauce. Stir egg mixture very slowly into sauce in double boiler.

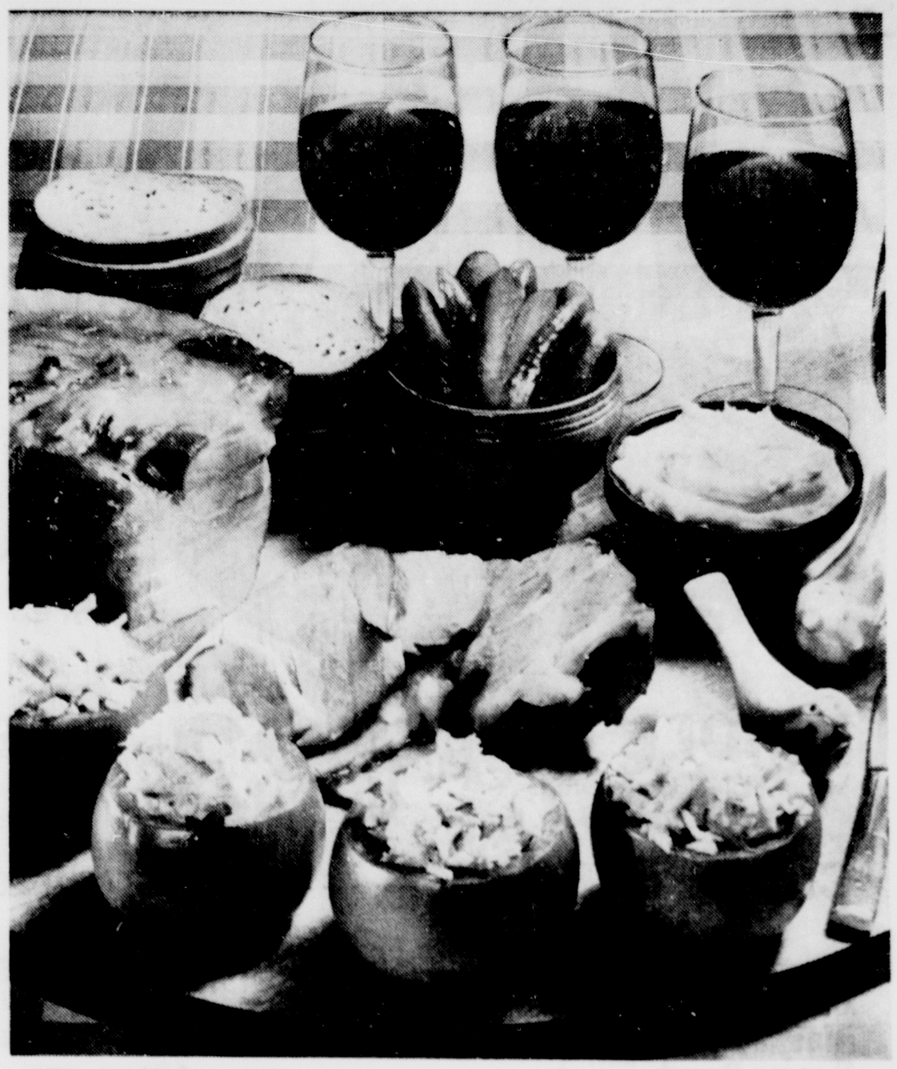
Cook over hot water, stirring constantly, until mixture thickens and mounds. Remove from heat at once and pour into bowl or jar. Cool, then refrigerate.

It's easy to take a bottle of wine along on a picnic to serve with the sandwiches, or other picnic foods, simple or elaborate. Sometimes, it is even easier to mix a wine cooler to carry in a thermos jug. This one combines California Port, a dessert wine, with tea. The orange and lemon juices make it tart enough to be very refreshing.

WINE-TEA COOLER
(Makes 1 gallon)

1 cup boiling water
2 tea bags or 2 teaspoons tea
¼ cup sugar
1½ cups Port
2½ cups orange juice
½ cup lemon or lime juice
4 cups ice water
Orange slices for garnish

Pour boiling water over tea and let steep for about 5 minutes. Remove tea bags or strain. Blend in sugar to dissolve and add all remaining ingredients. Pour into punch bowl filled with ice block or chill until serving time. For a picnic, chill well then pour into chilled thermos jug along with a tray of ice cubes. Garnish with orange slices.



THE MAIN COURSE of an outdoors meal is assembled on a bread board for easy slicing and serving. It includes a small canned ham glazed with sherry and apricot-pineapple jam, cheese-butter for spreading on the rye bread, pickles, and slaw-filled tomatoes. A red or white dinner wine from California, served as the accompanying beverage, adds zest to the picnic fare.

Prunes, Croutons, Used In Stuffing A Veal Breast

Learn to stuff and roast a small breast of veal!

Stuffed Veal Breast
Potatoes Spinach
Ice Cream and Fruit Sherbet

STUFFED VEAL BREAST

½ cup butter or margarine
¾ cup chopped onion
½ cup chopped celery
⅛ teaspoon dry crushed thyme
2 cups packaged seasoned bread croutons
⅔ cup (about 10) prunes (rinsed in hot water, pitted and cut fine)
2½ pounds breast of veal with pocket for stuffing

In a 9- or 10-inch skillet, melt the butter; add the onion and celery and cook gently, stirring occasionally, until wilted. Mix in the thyme, bread croutons and prunes. Stuff into veal pocket. Place veal, bone side down, on a rack in a shallow roasting pan lined with foil. Roast in a slow (325 degrees) oven, basting occasionally, until veal is tender—about 2 hours. Makes 4 servings.

Dessert For Company

Make up a package of chocolate pudding mix and turn it into 8 sherbet glasses; chill. Make up a package of vanilla pudding mix and spoon it over the chocolate pudding. Chill again, garnish with orange sections or whipped cream topped with grated orange rind. Serve for a company dessert.

Pineapple Slaw Goes With Ham

SUNDAY DINNER

Baked Ham Potato Puff
Green Peas Pineapple Slaw
Ice Cream Cake

PINEAPPLE SLAW

6 tbsp commercial sour cream
½ tsp salt
1 tsp prepared yellow mustard
2 tbsp pineapple syrup (from the canned fruit)
2 cups firmly packed thin strands knife-shredded green cabbage
3 canned pineapple rings, cut into small wedges

In a mixing bowl, thoroughly stir together the sour cream, salt, mustard and pineapple syrup. Add the cabbage and pineapple wedges; mix thoroughly. Serve at once or chill for an hour or so. Makes 4 servings. (This is a good way to use left-over pineapple from a large can of slices.)

Olive Beef Balls A New Main Dish

Ground beef recipes are legion, and here is a new one originated and "neighborhood-tested" by home economists for the Dairy Council of California. Its dairy sour cream and cheddar cheese sauce is especially designed to intrigue the taste buds of the men in the family. The subtle flavor of pimiento-stuffed green olives inside the beef rolls as well as in the sauce gives just the right touch of the exotic to make these Olive-Beef Rolls fancy enough for party-going or family dining. Recipe makes 6 to 8 servings.

OLIVE-BEEF ROLLS

2 pounds ground beef (round or chuck)
2 eggs
2 teaspoons seasoned salt
¼ teaspoon black pepper
1 tablespoon instant minced onion
3 to 4 ounce jar pimiento stuffed olives
Flour
2 to 3 tablespoons butter
½ cup milk
2 cups (1 pint) dairy sour cream
1 cup grated sharp cheddar cheese
½ teaspoon salt, or to taste
Dash hot pepper sauce

Combine ground beef with eggs, salt, pepper and onion. Shape into 12 rolls. Poke a whole stuffed olive in center of each roll. Coat rolls with flour. Melt butter in large skillet and brown rolls on all sides over moderate heat, adding butter as needed. Remove beef rolls to heat-proof serving dish. Add milk to drippings in skillet and stir constantly over low heat about 1 minute. Remove from heat and stir in sour cream, cheese and seasonings along with ⅓ cup sliced stuffed olives. Pour over beef rolls. Bake at 400 degrees 10 to 12 minutes.

THESE OLIVE-STUFFED Beef Rolls in their delectable sour cream-cheddar cheese sauce are easily prepared fancy fare for party-going or family dining. Recipe today.

Suburban Sprawl Will Not Preserve Open Country

Conservation extremists defeat their own purposes, in the opinion of Supervisor Kettenhofen.

Last week he was moved to address a letter on the subject to his colleagues on the Board of Supervisors.

"I am moved to write this letter at this time by the conflicting and self-destructive efforts of the so-called extreme conservationists. I admire their goals, but at the same time sympathize with them because I realize they will never accomplish in total their objectives. But I do not sympathize with their methods because they are self-defeating and I would hope that they would have a greater degree of long lasting success rather than short-lived minimum success," he wrote.

Supervisor Kettenhoffen may have been somewhat piqued by the emotional display of conservation extremists at some recent public hearings on controversial development projects.

It is the fashion among some conservation extremists to boo, hiss and otherwise disport themselves emotionally when they disagree with what's being said.

But there appears to be a more serious flaw in the ultra-preservation view.

The population of the United States well may double within the lifetime of many of us now living.

If we insist on a blindly arbitrary approach to development by density-yardstick we can wind up making things worse instead of better.

In short, we can adopt density formulas that will require almost border-to-border, ocean-to-ocean suburban sprawl of single-family residences on "large" lots in order to accommodate 400 million or more Americans.

It would seem more truly in the interests of conservation to have vertical population centers surrounded by open area.

If Marin is to have half a million or more population ultimately, let's have a scattering of high rise apartment buildings with open space around cluster instead of solid one-family lot development from ocean to bay and from Golden Gate to Sonoma County line.

Dust Saves Moths From Spiders

Scientists have long speculated about what purpose was served by the "dust" on the wings and bodies of butterflies and moths. Actually, this dust covers the wings in form of tiny scales laid down like shingles on a roof. This dust gives the butterfly or moth its distinctive coloring. Rub it off and the wing is almost transparent.

Now it has been learned that these microscopic scales are a lubricant, like graphite, which enables the moth or butterfly to escape from human fingers, bird beaks or common spider webs. This dust is especially effective in spider webs, where it simply covers the microscopic globs of adhesive which entrap less protected insects.

Female More Dangerous Than Male

There is no doubt that the female is more deadly than the male. She is a persistent blood-sucker, pestering her victim until she gets her way. The male is a gentle, easy-going fellow, fond of nectars and flitting about.

We refer, of course, to the lowly mosquito. We would not think of comparing the human species to these creatures. At least, not all of it.

AFFAIRS OF STATE

Extra Session Should Result In Face Saving, No New Taxes

By HENRY C. MacARTHUR

SACRAMENTO (CNS)—The circumstances involved in recalling the Legislature to Sacramento for the purpose of increasing revenue during the next fiscal year are somewhat amusing and slightly confusing. A similar fiasco has not been seen in the state capitol for many a moon, yet it resulted in a face-saving operation for everyone concerned except, perhaps, the State Senate, which originally performed its job and didn't need to save face.

When the Legislature sent a budget to Gov. Edmund G. Brown, calling for spending $75 to $100 million more than anticipated revenues, the governor literally hit the ceiling, claiming this action deprived him of "fiscal responsibility."

HE WROTE every legislator and called in various organizations to work up a wave of "public sentiment" to recall the legislators in special session and save the state from operating on what was purported to be short revenue.

The wave amounted to not much more than a ripple. Some legislators with pet projects threatened by the governor's blue pencil urged a special session. The California State Employees Assn., realizing that salary increases for state employees were threatened, strongly urged the session to vote new or increased taxes next year.

But from the general public—that is, the people who pay the taxes to support state government—there was little if any sentiment urging the special session. As one state senator put it, he felt the governor could operate with available funds and, as a result, the taxpayers would get a break.

HOWEVER, the administration dreamed up the idea of acceleration for payment of sales taxes along toward the end of the coming fiscal year, a move which will bring in the neighborhood of $100 million into the state treasury, thereby eliminating deficit financing and allowing the state to operate on a cash basis.

This entails no new taxes this year and saves face for the governor. It also saves face for the Assembly, which was adamant on the question of tax reform and demanded this procedure or nothing. So now the Assembly can vote acceleration instead of new taxes, and the matter of tax reform, which will increase state taxes in a large amount, can go over until next year.

WHEN THE STATE Senate, which during the regular session voted enough taxes to cover the anticipated deficit, will do is a good question. No doubt some legislator will bring up the question of whether the acceleration of sales tax payments will decrease revenues in the 1966-67 fiscal year. But by that time, it is anticipated the solons will have voted some new and increased taxes and the action at this special session will make little difference.

In any event, Governor Brown has had his way, the Assembly is not embarrassed, and the Democratic majority in the Senate can point with pride to "saving the integrity of the Democratic administration."

WHAT OUR READERS SAY

Viet Nam Bombings Fail To End War

Editor, Independent-Journal:

In "Design for Survival," Gen. Thomas S. Power (retired commander-in-chief of the Strategic Air Command) says that pin-point, small-scale bombing of North Viet Nam would win the war.

A quote: "Thus, within a few days, and with minimum force, the conflict in South Viet Nam would have been ended in our favor. Beyond this we would have gained immeasurably in prestige . . ."

The book—and the bombing results—show how simple-minded (and wrong) our top military commanders can be.

Taxpayers Keep An Eye On Pino

Editor, Independent-Journal:

We in the Reed School District have been watching Mr. Pino's administrative talents for some time and, in defense of the tax-paying public, some things should be defined concerning his statements in last week's I-J. He implies that:

1. The public is not interested in schools if they do not attend board meetings. (Why does he think we elect representatives to meet for us?)

2. Anyone who does attend, and questions the budget, is automatically against quality education!

3. Our budget per pupil is approximately twice Mill Valley's because of our standards. (Invisible standards for those who have had children in both districts.)

4. This CUT group is hiding behind individuals. How absurd: CUT is individuals, and often individuals hide their identities behind group names, never the reverse.

So far, sincere questions on specific items have been turned aside, and a public issue made by Mr. Pino of one small item, BUS SERVICE. This item was never questioned and is used to avoid real issues.

We retired teachers know there is some excess spending in school budgets, including some in administrative salaries.

Wolfback Ridge Story Corrected

Editor, Independent-Journal:

Although the captioned article (Marincello Faces War from Ridge, June 26) is substantially correct, we wish to point out that Mr. Bjorklund does not represent the Association, but is the attorney for Mr. Glass in his action against Frouge/Gulf Oil/Marincello.

We are certainly all in accord regarding maintaining the privacy of our roads.

Start At Top On Education

Editor, Independent-Journal:

Mr. Lyttle (I-J, Reporter's Notebook, June 21) and others wish to solve educational problems? Fine.

How about a real problem area—administration? This function has not kept pace with educational advances. Administration spends and spends but produces more and more extravagant, wasteful failures. Consequently, good teachers and administrators are being stifled or destroyed in increasing numbers.

Dedication to excellence and sensible economy carries a heavy penalty today, hence the rigid tenure protection. If teachers could truly function as professionals, tenure and pay would be less an issue. The people can't have dedicated, spirited teachers AND the present type of administrative structure.

A plan submitted to the Assembly Education Committee suggested, among other things, replacing the over-priced educational middle man with teaching Master Teachers and classified people. A 15-school district would realize $120,000 to $172,000 for other needs the first year yet have streamlined operations. The committee liked this proposal and recommended local implementation.

No law prevents the employer (the people) from changing the employee structure so long as it is fairly done. A start must be made. Though not perfect, this plan is feasible. It will receive violent opposition from certain educationists, but any discerning board can see the dismal failure of the present system. If the I-J is not again a paper tiger in its editorials, it could help pave the way for badly needed educational reforms by urging a Little Hoover Commission for Education. An entirely different approach free from politics is needed. Have we become so bemused with entrenched systems that we can no longer see alternatives? I think the plan mentioned is one step toward quality education at less cost.

USSR Enslaves; U.N. Stands By

A SKEPTICAL, no-nonsense old Vermonter, upon being shown a candle that was said to have burned for a thousand years, promptly snuffed it with the terse comment, "Well, it's time SOMEBODY put it out."

DR. BOLES, preparing to give a neighborhood lad an aptitude test, put a pitchfork, a wrench and a hammer on the desk and told his pretty young nurse, "If he grabs the pitchfork, he'll be a farmer. If he grabs the wrench, he'll be a mechanic. If he grabs the hammer, he'll be a carpenter."

But the lad crossed up Dr. Boles completely.

He grabbed the nurse.

New York Mayoralty Race Good News For Republican Comeback

NEW YORK — Ever since Rep. John Lindsay took the cold plunge into the New York mayoralty race, he has been showing the Republican Party all across the nation what it most needs if it is going to make a significant comeback next year—younger, vigorous, intelligent and attractive candidates.

MANY REPUBLICANS give the impression that they feel politics is a "dirty business" in which they would prefer not to be involved. This makes it hard for them to draw the most qualified Republicans into public life. President Dwight D. Eisenhower tried to repair this weakness and made little headway. So did Richard Nixon with the same result.

The Republicans have had another self-imposed handicap. Since they genuinely believe that less government is desirable, they find it difficult to get good candidates to make less government better.

And now comes Mr. Lindsay, who is making running for the most head-aching office in the nation — mayor of the most problem-laden city in the nation—seem worthy and worthwhile—and downright exciting.

FROM THE STANDPOINT of basic philosophy, there is no such thing as a "Democratic" mayor or a "Republican" mayor of New York. The only thing that counts is whether there is going to be a competent mayor.

What is important from the Republican standpoint is for the voters to see that the GOP is giving them from its ranks a candidate worthy of the race. That's all the credit a party needs. That will be plenty—if Mr. Lindsay pulls it off.

You don't have to be in New York long to see that he has the Democrats here very worried.

For one thing, for the first time since Fiorello LaGuardia a Republican is virtually monopolizing the headlines. At this stage Lindsay is the almost daily focus of the campaign. On the day this column is written, the New York Herald Tribune had a banner head on Lindsay on page three, the New York Times ran three Lindsay stories and in the World Telegram and the Journal American he got a big play.

Not that the New York papers are all committed to Lindsay. They aren't.

LINDSAY NOT ONLY has the advantage of political popularity in depth but the Democrats have the disadvantage of bitter intra-party competition in depth. Right now they have:

One candidate who has withdrawn—Mayor Robert Wagner himself.

Four candidates who have announced that they will run against each other in the primary—City Council President Paul Screvane, Rep. William Ryan, Councilman Paul O'Dwyer, and the latest, Queens County District Atty. Frank O'Connor, who is basing his bid for the Democratic nomination on a denunciation of Mayor Wagner for "vacillation, indecision and ineptness."

Two other candidates appear to be standing in the wings willing to join the parade if encouraged — Franklin D. Roosevelt Jr. and Asst. Secretary of Labor Daniel P. Moynihan.

OBVIOUSLY, it is too early to foresee how Lindsay will fare in the election. The professionals figure he will likely win if there is a divisive Democratic primary. The ploy which one hears in some city Democratic quarters is that President Lyndon B. Johnson may name Mayor Wagner as Cabinet Secretary for Urban Affairs and thus squash a primary fight by enabling Mr. Screvane to inherit the mayoralty before the primary.

INSIDE WASHINGTON

Humphrey Journey To Poland Is Next

By ROBERT S. ALLEN and PAUL SCOTT

WASHINGTON — President Lyndon B. Johnson is so pleased with Vice President Hubert H. Humphrey's powwow with President Charles de Gaulle that he is giving him another foreign assignment.

THIS NEW MISSION will take the vice president behind the Iron Curtain into Eastern Europe. The president is sending him to Poland in September to dedicate the U.S.-financed 500-bed American Children's Research Hospital at Krakow.

Although under present plans Humphrey's forthcoming mission is to be more ceremonial than diplomatic, intelligence authorities are saying it could have far greater impact on U.S.-European relations than the vice president's recent trip to Paris.

They estimate that Poland, preparing to celebrate its 1000th anniversary of the advent of Christianity there next year, is ripe for an internal explosion that could rock the foundation of the incumbent Communist regime.

Stefan Cardinal Wyszynski, outspoken Roman Catholic primate of Poland, has been pulling no punches in recent sermons in opposing the Communist government although these talks are getting very little publicity this side of the Iron Curtain.

Addressing a crowd of 60,000 that filled the square outside of St. Anne's Church in downtown Warsaw earlier this month, Cardinal Wyszynski noted the coming 1000th anniversary of Christianity by declaring that "our slavery may be at an end."

ACCORDING TO U.S. intelligence, Polish Communist authorities are so concerned about the cardinal's sermons that they have barred their broadcast over radio, and prohibited his using a public address system when speaking to street crowds.

The unpredictable impact these visits could have on U.S. relations with Poland and other Eastern European nations has touched off a sharp dispute within the Johnson administration over Humphrey's dedication speech and whom he should see during his trip.

The State Department wants Humphrey to limit his visit to official functions and not meet Cardinal Wyszynski. They also want the hospital dedication address to be non-controversial.

THIS ADVICE is similar to that given Vice President Richard M. Nixon by the State Department when he visited Poland in 1959 en route from Moscow.

CONGRESSIONAL Democrats headed by Speaker John McCormack of Massachusetts take a different view. They are encouraging Humphrey to make a direct appeal to the Polish people (90 per cent Catholic), similar to the one President Johnson recently made to the Russians.

If arrangements can be made, they favor Humphrey's meeting with Cardinal Wyszynski to indicate that the U.S. is interested in the latter's fight to restore freedom to his nation.

President Johnson is expected to make the final decision on what Humphrey does.

It is very doubtful that in the future Vice President Humphrey will report to the State Department on his trips before briefing congressional leaders.

I-J REPORTER'S NOTEBOOK

By ALAN CUNNINGHAM

It's Probably Wise Just To Smile When They Talk About The Paper

One of the lively things about this business is that you never know when you are going to be covering a meeting and somebody will start talking about the newspaper you work for.

The feeling must be somewhat similar to the way a television cameraman would react if he was on the air during a remote news broadcast and he suddenly panned around and found his camera focused on a television set.

BACK IN SCHOOL they used to tell us that it did not matter whether they hated the paper or loved it, just as long as they went on talking about it.

And even before that we can recall playing the game of denouncing the hometown paper, partly because we often disagreed with what it said and partly because it was the thing to do.

So we don't get too excited when they starting dressing us down—or buttering us up—by talking about the paper. We just try to take notes, but sometimes they talk too fast and we can't get it all down.

SOME PEOPLE love the I-J; others hate it. We used to try to explain, when some smiling merchant would thank us profusely for the "good treatment you've been giving us in the ads," that we don't have anything to do with ads. Likewise, when they blasted the editorials, we used to point out that we don't write editorials.

We used to. Now we just smile. Or take notes. Might as well take the praise, whether deserved, and not worry about the rest. Except to get it all down accurately.

EVEN IF WE did not read the paper, we could usually tell what is in it by the way people respond to a reporter. When there is an editorial about policemen, we can tell by the way the beat patrolman passes the time of day. If the editor has been writing about secret meetings, we can detect a coolness from the city fathers when we pass on the street.

Right now, some teachers are rather unhappy because the paper has been printing their salaries.

One teacher's wife was particularly irate when she registered her telephone protest over this policy recently. She informed us that "you don't see the San Francisco papers printing all the teacher's salaries, because the superintendent wouldn't let them."

We suspect there as several superintendents who will read this who will wish they had, or got credit for, that kind of omnipotence.

We have found it interesting to cover the meetings of the San Rafael Board of Education while the series was running. San Rafael teachers are currently trying hard to get a raise, and feelings at the sessions run high sometimes.

WE WERE congratulating ourself for being one of the few neutral people in the room the other night when an angry citizen began to complain that the school board had not worked hard enough to promote passage of the tax hike turned down in April.

Then he looked us in the eye and announced:

"I don't think the local newspaper did any good at all by publishing salaries, either."

We squirmed a bit, not being used to the spotlight, and tried to turn our tiny press table toward the front so the "Independent - Journal" sign wouldn't be quite so obvious. And kept on writing.

ART BUCHWALD

Secret Agent 007 Comes Up With GOP's Supersecret List

WASHINGTON—James Bond kissed the delectable Miss Moneypenny on the forehead and walked into M's office. M lit up his pipe and then said, "007, I'm sending you on the most dangerous assignment you've ever tackled. I want you to go to the Republican National Headquarters in Washington, D.C., and get a copy of the list of people who contributed more than $1,000 to the Barry Goldwater campaign in 1964. I can't impress on you how important this mission is. If the list falls into the wrong hands it will mean the end of the two-party system in America."

Bond took the next plane out and landed at Dulles Airport at 10:30 in the evening. A tall brunette in a "Sting Ray" met him and drove him into town. "Daddy couldn't meet you," she said. "He had to go to San Francisco to address the United Nations."

BOND SMIRKED as they got into the car and then he leaned over as if to kiss her. But just as he got his arms around her a Secret Service man popped up from the back and said, "Easy, Charlie, you're not fooling around with Tiffany Case."

"Oh, phooey," said the brunette and then she angrily put the car into gear.

The Sting Ray dropped Bond off at the Republican National Headquarters. It was dark as 007 climbed the fire escape behind the building.

He jimmied open the window, parted the curtains, and jumped into the office of the Republican treasurer. As he walked towards the desk he was struck over the head and went down on the carpet.

"WHO ARE YOU with?" a man behind a .45 said.

"I'm a volunteer for William Buckley," Bond said. "And who are you?"

"I'm with the American Conservatives For a Conservative America," the man said. "And I think you're after what I'm after."

Suddenly the door was thrown open and a man said, "Drop it." He was carrying an Italian semi-automatic Berretta.

The ACFCA man dropped his .45.

The Berretta man said, "Where's the list?"

"WE DON'T KNOW. Who are you with?"

"I'm with the Young Republicans For a Young Republic and once we get that list we are going to take over the party."

"Not while we're alive," said a man holding a Thompson submachine gun at the window. "Drop that Berretta."

"Who is he?" Bond asked the ACFCA man.

"He's with the Free Society For a Free Society. One of Barry's boys."

The FSFS man didn't see someone come from behind him and knock the machine gun out of his hands.

"I've got a hand grenade here and I'll pull the pin if anyone moves."

"It's the Moderate Republicans For Moderation," someone gasped.

BOND THOUGHT fast. "Before blood is shed, did any of you know there is a copy of 'Choice,' the film made by the Mothers For a Moral America?" he asked.

"Where?" everyone wanted to know.

"In the filing cabinet over there."

They all rushed to the cabinet. "There's a projector over here," someone yelled.

While everyone was watching the salacious movie, Bond managed to break open the desk drawer of the Republican treasurer and grab the list. Then, while the others watched a girl in a topless bathing suit, Bond dashed out of the door.

Later Bond delivered the list to the brunette in the Sting Ray. "Give it to your daddy to give to Senator Dirksen."

"Oh, 007, you saved the two-party system. How can we ever thank you?" the brunette said.

BOND LOOKED BACK at the Secret Service man and shrugged his shoulders.

HOW TO PLAY

WINNING BRIDGE

By ALFRED SHEINWOLD

Discard For Goose Also Helps Gander During Game

Readers of this column are constantly amazed at the number of bad bridge players in the world.

Those fellows are always making silly mistakes. Just see how one of them misplayed today's hand.

Opening lead — ◇ 10

West opened the 10 of diamonds, and East overtook with the jack and cashed a second diamond trick.

ONLY HOPE

East saw that it was hopeless to return a heart or a club. Since the only hope was to promote a trump trick for his partner, East returned a third diamond.

South had been worrying about losing a club trick, and he thanked East for relieving him of this problem. He gratefully discarded a club as he ruffed in dummy with the king of spades.

Then South cashed dummy's ace of hearts and ruffed a heart. Unfortunately for declarer, West defeated the contract by overruffing.

NO REVOKE

"Revoke," somebody screams. "West must follow suit when the second round of hearts is played."

Pay no attention to the screaming. West had a chance to discard on the third round of diamonds. He threw a heart, of course, but the screamer was so busy thanking East for leading a diamond that he didn't notice the discard.

Regular readers of this column are pursing their lips and shaking their heads in disapproval of South's play.

EAST LEADS

When East leads the third diamond, South must not be in a hurry to get rid of a club. He must throw his singleton queen of hearts.

Then declarer can return to his hand by ruffing the first round of hearts. There is no over-ruff, and South can draw trumps in safety.

Later there is all the time in the world to discard the losing club on dummy's ace of hearts.

DAILY QUESTION

♠ A Q J 10 9 4 2
♡ Q
◇ 8 2
♣ 9 6 3

What do you say?

Answer: Pass.

The hand is not quite good enough in top cards for an opening bid of one, but is far too good for a shutout bid of any kind. You will get a later chance to bid if you wish to do so, and then the nature of your hand will be clear.

Go East, Young Man

PIERCE, Idaho (UPI) — Discovery of gold on Orofino Creek near here by E. D. Pierce in 1860 touched off a rush from settled areas of Washington, Oregon and California, making Idaho the first state settled from the West rather than the East, according to the Idaho Almanac.

ALMANAC

Today is Wednesday, June 30, the 181st day of 1965 with 184 to follow.

The moon is approaching its first quarter. The morning star is Saturn. The evening stars are Venus and Mars.

Walter Hampden, the American actor was born on this day in 1879.

On this day in history:

In 1906, President Theodore Roosevelt signed the Pure Food and Drug Act, a statute that makes the shipment in interstate commerce of adulterated foods and drugs illegal.

In 1921, President Warren G. Harding named William Howard Taft chief justice of the Supreme Court. It made Taft the first man to serve as both president of the United States and chief justice.

In 1924, the Teapot Dome scandals resulted in the indictment of Secretary of the Interior Albert Fall and two oilmen, all three being charged with bribery and conspiracy to defraud the government.

In 1950, President Harry Truman announced the transfer of U.S. troops in Japan to Korea to assist in the war against North Korean invaders.

A thought for the day—English historian G. M. Trevelyan wrote: "Education . . . has produced a vast population able to read but unable to distinguish what is worth reading."

The depths are always additive to the chart depths unless preceded by a minus sign (-), when the numbers are subtracted from the depth given in the chart. What do you want most in frozen foods?

If it's quality, River Valley has it in writing.

This is a Grade Certificate issued by the U.S. Department of Agriculture. River Valley scored 95. That's High Grade A.

This certificate is typical of the grades achieved by River Valley. We consistently average 95 or higher, while most other brands score in the low 90's. That means *our frozen vegetables are about as nature-perfect as can be packed.* You might expect to pay more for this superior quality—but we offer it to you for less. How can we do it? High volume, streamlined production and distribution. So you see, all frozen vegetables aren't really alike. Others *claim* high quality. River Valley *proves* it—in writing.

ROSS COMMON PROJECT—A landscape plan for renovation of the Ross Common shows general planting and layout of various play areas. Gray shaded area indicates where new grass will be planted and maintained by automatic sprinklers. Work on the $35,000 project will begin about July 26.

Bids Due For Ross Common Renovation

Residents of the town of Ross, and especially the children, will soon have an improved Common to enjoy.

Plans for renovation of the town's central park area have been approved by the council, and bids will be opened July 15.

Architect Van Norden Logan of Architectural Services Inc., San Francisco, estimates work on the $35,000 project will begin about July 26 and take about two months.

Plans call for preservation of trees and shrubs, casual paths through the wooded area, and benches along the way.

Children will have two new baseball diamonds for Little and Junior League play. The Junior League field is to be designed in conjunction with a touch football field.

In the southern portion of the Common the Ross School will provide a play area for younger children.

An automatic sprinkler system will be installed in the entire area, new topsoil will be placed, and the Common seeded to provide a green turf.

Funds for the new Common have been acquired on a private voluntary basis from residents, eliminating the need for a bond issue. Additional amounts are still needed, and should be sent to the town council.

Brazil shares a common border with all other South American countries except Chile and Ecuador.

Woman Injured In Auto Crash

Mrs. Esta D. Smith, 58, of 163 Mark Twain Avenue, San Rafael, was one of three persons hurt in a three-car rear-end crash south of Sonoma at 2:40 p.m. Sunday.

The California Highway Patrol said she was riding in a car driven by her husband, Leonard C. Smith, 61. The patrol said Smith was unable to stop when the cars of Paul Oswald, 53, of Daly City and Peter Wolff, 29, of Oakland stopped at the intersection of highways 121 and 37.

Mrs. Dora Gerstenkorn, 59, of San Francisco and Mrs. Elizabeth Oswald, 52, of Daly City, were treated at Kaiser Hospital, Valiejo. Mrs. Smith told the patrol she would go to her own doctor.
